### IV. SAMPLE FORMS

**ORGANIZATION**

FACULTY SENATE

Membership on the Senate is confined to individuals who are eligible to vote in general faculty meetings. Representation is allocated as follows: one representative for each five faculty members, or portion thereof, of the library and each academic division or school, plus five delegates elected at-large. The school (divisional) representatives are elected by secret ballot by members of that school (division) prior to the September faculty meeting, and at-large representatives are elected by secret ballot by all members of the faculty at the September meeting. The term of office is three years, with the term of one-third of the Senate expiring each year. The Faculty Secretary-elect and the Recording Secretary are also voting members of the Senate.

The presiding officer of the Senate is the Faculty Secretary, who is called the Chairperson of the Senate when acting as the presiding officer. The Faculty Secretary-elect presides over the Senate in the absence of the Faculty Secretary. The Faculty Recording Secretary serves as Secretary of the Faculty Senate. The Senate elects a clerk from a list of secretaries submitted by the Administrative Assistant to the Chancellor; the term of office is one year, with re-election possible.

All meetings of the Senate are open; all members of the faculty have the right to address the Senate. All votes taken in the Senate are by voice, unless an alternative method is desired by at least ten Senators. A decision passed by the Senate may be overruled by a majority of the faculty present at a regular or called faculty meeting. The Faculty Secretary must call a faculty meeting for the purpose of reconsidering an action of the Senate upon receipt of a petition signed by 25 percent of the voting members of the faculty.

The faculty delegates to the Senate all business except the election of faculty officers, committee members and at-large delegates to the Senate, and the consideration of other matters which the faculty wishes to reserve to itself. Regularly scheduled faculty meetings are held in September and April for the election of standing committee members, at-large delegates to the Senate, and faculty officers. Faculty committees make their reports directly to the Faculty Senate.

FACULTY COMMITTEE STRUCTURE--GENERAL

Terms. Terms of all appointed and elected members are for three years beginning in the first full month of the academic year, unless specified otherwise. No member may at one time serve as a voting member on more than two standing faculty committees.

Ex-officio Members. Ex-officio members are not considered to be members of a committee insofar as computing their maximum of two committee assignments is concerned. The role of ex-officio members of a committee is to serve in an advisory capacity. Ex-officio members should make available to the committee their knowledge, and they are not empowered

with a vote, except as noted, in the decisions of the committee. They should not attempt in any way to exercise control in the decisions of the committee except at the request of the committee. An ex-officio member of a committee cannot be elected chairperson of a committee since his or her membership is in an advisory capacity only. This provision is in accordance with an ex-officio member's not having voting rights, since the chairperson of a committee is normally allowed to vote in case of a tie. The Chancellor is an ex-officio member of all committees and will not be listed as such separately.

Chairperson. Each committee will elect its own chairperson annually during the first full month of the academic year, unless specified otherwise. The chairperson will vote only in case of a tie. A faculty member may chair only one committee.

Chairperson-elect. Each committee will also choose a chairperson-elect who will normally become a chairperson after one year. The chairperson-elect will preside in the absence of the chairperson.

Vacancies. Vacancies in committee membership caused by unexpired terms will be filled by appointment or election in accordance with the means by which the position originally was filled.

Appointments. All appointments to committees will be made by the Chancellor.

Responsibility. Committees serve in an advisory capacity to the Faculty and/or the Administration. Committee chairpersons will report all committee actions and recommendations in writing to the Faculty Secretary. All committee actions are advisory until confirmed by the Chancellor.

Elections. All elections will be made by majority vote of the Faculty after due notice of the election has been given.

Scope. It is understood that the duties of committees and their constituent personnel are drawn from and limited to the Spartanburg Campus, except where noted otherwise.

Names of Standing Committees. Academic Affairs, Academic Forward Planning, Admissions and Petitions, Athletic Advisory, Cultural Affairs, Facilities Utilization and Planning, Faculty Advisory, Faculty Welfare, Library, Lifelong Learning, Promotion and Tenure, Student Affairs, Student Financial Aid, University Publications Board.

Implementation. New committees will be activated as deemed necessary and approved by the Faculty. Changes in continuing committees will be made in the month in which the terms of their members are scheduled to begin. In order to fill committees in the first year, it will be necessary to appoint and elect some members for one-year or two-year terms only.

ACADEMIC AFFAIRS EXECUTIVE AND DIVISIONAL COMMITTEES

The Academic Affairs Committee consists of both school (or divisional) committees and an executive committee. Membership in these school (divisional) committees shall be constituted by either

- (a) at least one individual chosen to represent each recognized academic discipline within the school (division) that has three or more faculty within that discipline;
- (b) at least one individual chosen to represent all other academic disciplines having less than three faculty members in that school (division);
- (c) additional members selected at-large to make a total committee membership of five; or,
- (d) in the case of single discipline schools such as Education, Business Administration, and Nursing, a committee of five members selected at-large (provided that the areas of concentration and/or degree programs are equitably represented).

These committees should elect a chairperson from their membership whose responsibilities include

- (1) calling and conducting meetings as needed;
- (2) receiving and processing for dissemination of all proposals for curriculum change within the school (division);
- (3) recording and reporting business to executive committee chairperson;
- (4) designating one member to represent the school (divisional) committee on the executive committee.

The school (divisional) committee is primarily responsible for reviewing and evaluation all proposals for curriculum change initiated by members of that school (division). Their recommendations are forwarded to the executive committee for approval. However, the executive committee cannot revise or alter recommended proposals without the advice of the affected school's (division's) committee.

The Executive Committee is composed of six designated representatives from the schools (divisions). The following are ex-officio members:

Vice Chancellor for Academic Affairs  
Director of Continuing Education  
Head Librarian  
Chairperson of the Academic Forward Planning Committee

Duties. To consider and recommend to the Faculty action on all requests for addition or deletion of courses made by the school

(divisional) committees. To review the various curricula of the Spartanburg Campus with special attention to duplication or obsolescence of courses. To consider matters concerning academic requirements and standards, and review current policies and practices for the purpose of making recommendations for changes therein to the Faculty. To consider problems of students who seek relief from the Spartanburg Campus and University scholastic regulations or who feel an injustice has been done them in their academic work. To advise the Associate Chancellor for Student Affairs regarding the academic aspects of orientation.

#### ACADEMIC FORWARD PLANNING COMMITTEE

Consists of six elected faculty members, one from each division, and three student representatives appointed annually by the Chancellor from nominations submitted by the Student Government Association. The Vice Chancellor for Academic Affairs is an ex-officio member.

Duties. To assist in the establishment of priorities for academic programs, the initiation of plans for new programs and concepts, and the cancellation of programs. The committee is expected to consult with appropriate individuals in the community. The committee shall meet at least once each semester with the Chancellor.

#### ADMISSIONS AND PETITIONS

Consists of six voting faculty members, three appointed and three elected. Each year one new member will be elected and one appointed. The Assistant Director of Admissions and the Vice Chancellor for Academic Affairs are ex-officio members. The Assistant Director of Admissions is to serve as committee secretary. The Committee may establish special procedures for reviewing applicants during summer terms.

Duties. To consider the USCS admissions policies within University guidelines and to recommend to the Faculty and the Chancellor any broad modification it may deem advisable. To suspend normal entrance and continuation requirements for individual students, as permitted by USCS and University guidelines.

NOTE: Two additional members will be elected to this committee for a two-year term (1979-81), while the committee and the Faculty Secretary attempt to streamline procedures and duties of the Committee. Also, during this time the Faculty Secretary may appoint temporary members to the Committee when a quorum of three voting members cannot otherwise be achieved.

#### ATHLETIC ADVISORY

Consists of six voting members, four faculty members, two appointed and two elected, and two student members appointed annually by the Chancellor from nominations submitted by the Student Government Association. The Athletic Director is an ex-officio member.

Duties. To rule on all questions of eligibility. To develop a philosophy regarding the athletic program and the scheduling of athletic events. To determine conference affiliations.

#### CULTURAL AFFAIRS

Consists of seven voting members, four elected faculty members and three students. The students are appointed annually by the Chancellor from nominations submitted by the Student Government Association. The chairperson-elect will serve as the USCS Representative to the Arts Council of Spartanburg County. Ex-officio members are the Associate Chancellor for Student Affairs and the Director for Information Services.

Duties. The committee will plan a convocations series and other cultural enrichment programs. The Associate Chancellor for Student Affairs will be responsible for contractual matters, the administration and implementation of the programs, and forward all information concerning cultural programs to the chairperson of the committee. The Director of Information Services will publicize the programs.

#### FACILITIES UTILIZATION AND PLANNING

Consists of three or more voting members:\* two elected faculty members and one student member appointed by the Chancellor from nominations submitted by the Student Government Association. The faculty members shall be elected for staggered terms and may succeed themselves for one term. Additional faculty, student, or other members may be appointed by the Chancellor with the consent of the Faculty. Expansion of the committee as provided above is appropriate when special projects or space utilization problems are being considered. The Vice Chancellor for Academic Affairs and the Director for Development and Sponsored Projects are ex-officio members.

Duties. To advise the administration on the allocation of facilities--buildings and grounds--and on the planning of new facilities.

\*NOTE: The Faculty Secretary will specify the total number after consulting with the Chancellor and the School (Division) Chairpersons on the anticipated work load of the Committee for the year. The Chancellor's appointments should be compatible with the anticipated tasks of the Committee during its upcoming year.

#### FACULTY ADVISORY

Consists of the elected chairpersons of all standing faculty committees, the Faculty Secretary, the Faculty Secretary-elect, and the Recording Secretary. The Vice Chancellor for Academic Affairs will be an ex-officio member. It normally will meet in the interval between regular monthly Senate meetings. The chairperson will be the Faculty Secretary and the secretary will be the Recording Secretary. It is to be understood that membership on the Faculty Advisory Committee is a part of the duties of all committee chairpersons and that this committee assignment does not count in computing the maximum of two committee assignments for each faculty member.

Duties. To study and report on matters which may be referred to it by the Faculty or the Chancellor or which the committee may wish to bring to the attention of the Faculty, and to recommend what action, if any, should be taken. It must present to the Faculty a slate of nominees for regular elective vacancies on committees at appropriate times, and it must present to the Chancellor a similar slate of nominees for appointive vacancies on committees at appropriate times.

#### FACULTY WELFARE

Consists of six voting full-time faculty members, three elected each year, without regard to academic rank.

Duties. To communicate to the appropriate administrative official in the form of suggestions the desires of faculty members pertaining to faculty welfare. To serve as a medium through which the faculty may suggest changes and modifications or make their thoughts relating to faculty welfare known. In general, areas of committee concern apply to the faculty as a whole rather than to individuals and include but are not restricted to:

- a. Fringe benefits, rank, and salary ranges within the University system.
- b. Policies regarding teaching load.
- c. Conduct and professional ethics.
- d. General faculty morale.

The committee hears appeals from any person dissatisfied with the decisions made regarding tenure or promotion. (This remains in effect pending administrative action on a "Grievance Procedure" passed by the Faculty Senate in 1979.)

#### LIBRARY

Consists of nine voting members: six faculty members, three appointed and three elected, broadly representative of the academic disciplines; and three student members appointed annually by the Chancellor from nominations submitted by the Student Government Association. The Vice Chancellor for Academic Affairs and the Head Librarian are ex-officio members.

It should examine the extent to which the University is meeting the educational needs of the community in curriculum and services and make proposals for improvements in serving these needs.

PROMOTION AND TENURE

Consists of nine voting faculty members, six elected and three appointed. Terms are for three years, with two members elected and one appointed each year. Only full-time faculty members with professorial ranks are eligible for committee membership. Each academic voting unit\* is to be represented, but no more than two faculty members from the same voting unit shall serve at one time. Both regular and special elections of members of this committee shall be held in open faculty meeting with nominations from the floor. Members of this committee are elected in the spring.

Duties. To establish criteria for promotion and tenure and procedures for the operation of promotion and tenure policies subject to approval by the faculty and the Board of Trustees. In accordance with approved criteria and procedures, to make recommendations to the Chancellor regarding the granting of promotion and tenure.

INTERNAL OPERATING PROCEDURES AND POLICIES  
OF THE PROMOTION AND TENURE COMMITTEE AT THE  
UNIVERSITY OF SOUTH CAROLINA AT SPARTANBURG

1. Each September the committee will notify the faculty that if a faculty member wishes to be considered that year for promotion, or tenure, or both, he or she should request consideration from the committee and should prepare his/her file; also the committee will notify deans or equivalent academic officers to submit to the committee letters of recommendation and a list of faculty members they wish to recommend for consideration. The committee will notify the Vice Chancellor about the date for consideration so that he or she may have the opportunity to place relevant material in individuals' files.
2. Promotion and tenure files are privileged information and under the control of the committee. The files will be kept locked.

\*"Voting units" for this purpose means the Schools of Education, Business Administration, and Nursing and each of the three divisions of the School of Humanities and Sciences.

3. The chairperson and the secretary of the committee, the Vice Chancellor and the respective deans will have access to the files. Two or more members of the committee may have access to the files during the period designated by the committee for reviewing files. The person removing the file must sign noting the time of examination of that file.
4. Each faculty member will have access to his or her own file and can see that material which is not confidential (see 5) when observed by the committee secretary or the assigned secretary. The committee secretary or assigned secretary will remove the envelope of confidential material until the faculty member has completed review of his/her file. The faculty member too will sign, noting the time of examination of his/her file.
5. The committee will provide maximum access, consistent with file security, by individuals to their own promotion and tenure files. However, letters or information submitted in confidence to the committee will be placed in sealed envelopes in the appropriate faculty members' files. Sealed envelopes will be retained by the secretary while a faculty member is reviewing his/her file. A summary of the contents of the sealed envelope in a faculty member's file will be made by the appropriate dean, verified by the Vice Chancellor, and made available to a faculty member upon request by the faculty member. A copy of the summary will be retained in the file.
6. A faculty member may have the staff secretary remove from the faculty member's file any duplicate material, except that in the confidential envelope, and any material placed in the file by the faculty member. To do so the faculty member should request, in writing and by item, that the material be removed.
7. The proceedings of the committee shall be confidential with respect to all written materials reviewed and all discussion of individual cases by the committee.
8. Members should refrain from participation in cases where their personal prejudices may unduly affect their judgment.
9. A faculty member will not serve on the Promotion and Tenure Committee during the year in which his or her case would receive active consideration. Any Promotion and Tenure Committee member who wishes to be considered for promotion, or tenure, or both, during the next academic year should resign from the committee before the spring Faculty Business Meeting at which the election of new committee members will be held. Also, a committee member will not participate in the deliberations where his or her spouse's case or that of a relative is under review.
10. For voting, files shall be grouped by the secretary into categories: (1) promotion to assistant professor, (2) promotion to associate professor, and (3) promotion to professor.

11. The chairperson shall conduct preliminary discussions on the files in each category, selecting files in random order within the categories. The procedure will be as follows: the committee will read and discuss all files to be voted on, noting a candidate's strengths and deficiencies, as well as inadequacies in his/her file. All persons to be voted on will then be sent a letter reminding them of the upcoming vote (this will remind those who have not notified the committee that they do not wish to be voted on). This notice may request by January 10 additional information where there are inadequacies in a candidate's file. In January the committee will complete its deliberations and vote.

To be recommended for promotion or tenure, a two-thirds majority of those voting, with a minimum of five affirmative votes, will be required. The specific reasons for voting for or against promotion and/or tenure should be included on the ballot. The vote will be considered binding unless a majority (5 members of the committee) asks that a particular case be reconsidered.

The committee may request, either orally or in writing, that matters of concern will be discussed by the Vice Chancellor with the candidate. Appeals will then be considered after a required 10-day appeal period. The committee will notify the Vice Chancellor of its recommendations and report statistics on its recommendations to the faculty.

12. A committee member's review and vote based on the information contained in the individual's file will reflect his or her best judgment concerning the overall strength or best interest of the institution, while at the same time considering the individual's interests under the stated rules for promotion and tenure.

In appointing the Faculty members of the Court, the chairperson is not restricted to the membership of the Student Affairs Committee.

The Associate Chancellor for Student Affairs will sit as an observer on the Honor Court. When a student is charged with an academic infraction, the Honor Court will include a faculty member from the academic area where the incident took place. The Honor Court will follow the trial procedure specified in the Student Handbook. The decision of the Honor Court may be reached with four members concurring. **PROCEDURES**

## REGISTRATION

A notice is sent annually to each faculty member from the Vice Chancellor for Academic Affairs giving the date on which all faculty are expected to return to begin work for each semester. Registration days are indicated on the academic calendar. All faculty are expected to be available to assist with the registration process. Deans notify faculty members of their specific duties at registration.

## GRADUATION

The graduation of students is one of the most important events in the academic year. It represents the recognition of a student's achievement. Because of the significance of the occasion for the students and the institution, all faculty are expected to attend the graduation exercises. Caps and gowns may be rented in the spring through the bookstore if necessary.

## MEETINGS

Classes are not scheduled for the noon hour on Monday, Wednesday, and Friday. This time is set aside for meetings and other functions. Faculty business meetings are regularly scheduled in September and April on dates to be announced. Faculty Senate meetings are held on the third Friday of each month. Faculty Advisory Committee meetings are held the second Friday of each month. Faculty committee meetings are called by the chairperson. These meetings are frequently called for the noon hour on Mondays, Wednesdays, or Fridays. There are occasions, however, when committee business and schedules necessitate meetings at other times. The chairpersons attempt, insofar as possible, to arrange times convenient for all members. Attendance at committee meetings, faculty business meetings, and other meetings such as those of a division or a school is a prime responsibility of every faculty member.

## PROFESSIONAL TRAVEL

Attendance at and participation in professional association meetings is strongly encouraged by the University. Funds are available in each school for travel for faculty members in that school who are interested in attending such meetings. The deans can supply the faculty member with full information regarding the funds available for such purposes.

## OFFICE HOURS

It is the philosophy of the University of South Carolina at Spartanburg that faculty and administrative personnel be easily available to students. Consequently, every faculty member is expected to post and maintain office hours. A schedule of five hours a week, or one hour each class day shall be considered as minimally acceptable. Each faculty member should submit a copy of his/her schedule to his/her dean.

TARDINESS-ABSENCE

Tardiness to class on the part of faculty members is frowned upon by the University. However, should an emergency delay any instructor from meeting class at the appointed hour, it has been generally agreed that students are under the obligation of waiting at least ten minutes past the scheduled class time.

In the case of illness or other emergency necessitating absence from class, the faculty member should notify his/her dean immediately so that arrangements can be made for the class. Deans are also charged with filing monthly attendance reports for their faculty with the Business Office.

PAY CHECKS

Faculty on nine-month contracts will normally receive their pay in 18 equal installments. Fall semester checks are available from the division secretary on August 31, September 15, September 30, October 15, October 31, November 15, November 30, December 15 and December 22. Spring semester checks are available on January 15, January 31, February 15, February 28, March 15, March 31, April 15, April 30 and May 15. Summer I checks come at the end of the term. Summer II salary is divided into two equal checks, available July 31 and the end of the term.

VISITING SPEAKERS

Any special convocations or other assemblies outside regular class meetings and involving off-campus speakers must have the approval of the Chancellor prior to the invitation of speakers or performers. Normally the recommendation should be submitted by the faculty member at least two weeks in advance of the desired date to allow time for reviewing the merits of the request and for scheduling on the University calendar. Nothing is official until the event has been cleared and added to the calendar in the Office of Student Affairs. After the event has been scheduled, the Associate Chancellor for Student Affairs and the Director for Information Services will assume responsibility for appropriate promotion and publicity.

GRADUATE STUDY BY FULL-TIME FACULTY MEMBERS

The improvement of professional qualifications by faculty members is encouraged. However, in order to minimize any disruption of the University of South Carolina at Spartanburg schedule and related activities, all plans for graduate study must be presented each semester to the appropriate dean, who will submit his/her recommendation to the Vice Chancellor for Academic Affairs for approval. Final approval rests with the Chancellor.

STUDENTS' RIGHT OF PRIVACY REGARDING GRADES

Faculty members must not post, as public information on bulletin boards, office doors, or elsewhere, any grade (daily quiz, hour quiz, midterm grade, final examination, or semester grade) of any student by name. Such practices, including associating a student's grades with his or her initials, have been determined by the courts to constitute an invasion of privacy. Class grades may be posted properly when the grade of an individual student on the list is associated with his/her social security number only.

In addition, the practice of leaving graded quiz papers indiscriminately outside faculty offices or on classroom tables could be interpreted as an invasion of privacy and is therefore prohibited.

ACADEMIC ADVISEMENT AND RECORDS

The Associate Chancellor for Student Affairs and the Deans of the Schools are responsible for the academic advisement program. The following are presently being used:

Assignment of Advisors

- (1) Entering freshmen students who are admitted as regular students and have declared a major will be assigned an academic advisor by the dean of their area.
- (2a) Undecided freshman students who are admitted as regular students will be assigned an academic advisor from a group of specially trained undecided advisors.
- (2b) When the undecided student makes a definite decision on a major, he/she will be reassigned to an advisor in that area by the dean of the appropriate school.
- (3) Entering freshmen students admitted as "branch specials" or scoring very low on placement tests will be advised by the Developmental Services Faculty until they are removed from the branch special status.
- (4) Advisors for students in the Bachelor of Arts/Bachelor of Science in Interdisciplinary Studies (formerly BGS) will be selected by the Coordinator of the BIS program, who will maintain all files on these students.
- (5) All transfer students are assigned to deans for advisement and evaluation of transcripts.
- (6) Deans will be responsible for maintaining records of students majoring in their areas. If a student changes his/her major, this file will be transmitted to the Student Affairs Office for reassignment.

- (7) Records for undecided students are housed in the Student Affairs Office. They will be released every semester to the advisor and returned to Student Affairs after the advisement period.
- (8) Records for students in BIS are housed in the Coordinator's Office.

#### ACADEMIC DISCIPLINE

The Student Affairs Committee handles infractions of academic discipline in the following manner:

- (1) The chairperson of the Committee is notified of the alleged infraction by a student or faculty member. An Honor Court consisting of three faculty members and two students is appointed by the chairperson.
- (2) All evidence, such as tests, papers, and names of witnesses should be given to the chairperson with a written statement explaining the alleged infraction. A faculty member should not confront a student and attempt to get a confession.
- (3) The "Code of Student Academic Responsibility" that is given to students is to be found in the USCS Student Handbook.
- (4) Questions regarding infractions and procedures should be referred to the Associate Chancellor for Student Affairs.

#### MASTER CALENDAR

A master calendar is maintained by the Student Affairs Office. All faculty, staff, and student organizations should contact the Student Affairs Office to place activities on the calendar as far in advance as possible.

#### PERSONNEL INFORMATION

The Personnel Office maintains the personnel files of all faculty members. Faculty members should notify the Personnel Office of any relevant academic activities, new degrees, changes in address or dependents, and other such information.

#### NEW COURSES

Faculty requests to have a new course approved for addition to the bulletin go first to the appropriate dean. The dean is responsible for completing the necessary form (see "Sample Forms") and submitting the request to the Academic Affairs Committee. If the Committee approves, the request is then submitted to the Faculty Senate for consideration. No course is to be entered on the schedule without being presented to the Faculty Senate.

INDEPENDENT STUDY COURSES

No student will be allowed to register for Independent Study unless he/she has completed the form "Application for Course Offered as Independent Study" (see "Sample Forms"). Any student desiring to take an Independent Study course should pick up this form in a dean's office, have it completed by the Instructor he/she is working under, and have all requested signatures on the form completed. The student should then bring the form for approval to the office of the Director for Admissions and Records, at which time he/she will be given a copy to bring to registration.

WITHDRAWAL OF VETERANS FROM A CLASS

All veterans and others who receive benefits from the Veterans Administration are responsible for informing the Veterans Officer of any change in enrollment status or withdrawal from USC at Spartanburg. If a veteran withdraws from a class the USCS Veterans Affairs Office asks that the faculty member notify the Veterans Affairs Office as soon as possible of the student's last date of attendance/pursuit by using any one or a combination of the following four methods:

- (1) last activity (including attendance) reflected in the instructor's records,
- (2) last papers submitted,
- (3) last examination completed,
- (4) student's reasonable statement of last date of attendance.

GRADE REPORTINGI. CLASS ROLLS

Class rolls are distributed to the Academic Departments four times during the regular semester (fall and spring) and three times during summer semesters. If you do not receive a roll, contact your dean to see if your roll has been misplaced. If the roll is lost, the dean's office should contact the Records Office for a copy of the roll.

A. Temporary Rolls

1. Temporary rolls are produced at the end of the last day of registration.
2. Temporary rolls should be used for reference only. Students who register late or drop and add your section will not be named on this roll.

### B. Official Rolls

1. Official rolls are produced after the last day to add a course or change sections.
2. Official rolls should be considered accurate.
  - a. If a student is attending your course, but his or her name does not appear on your roll, advise the student to come to the Records Office.
  - b. If a student's name appears on your roll, but he or she has not been attending your course, check with the Records Office to see if the student has officially registered for the course.

### C. Midterm Grade Rolls

1. Midterm grade rolls are produced after the last day to drop a course without penalty.
2. Errors on the midterm rolls should be corrected on grade roll correction forms.

### D. Final Grade Rolls

1. Final grade rolls are produced approximately two weeks prior to the end of the semester.
2. Corrections to rolls must be made via grade roll correction form.

## II. GRADE DESCRIPTIONS

### A. Midterm Grades (S/U)

1. Space is provided on the roll for the Instructor to indicate a grade of S (Satisfactory) or U (Unsatisfactory).
2. Midterm grades are not posted to the student's permanent record nor are they computed into GPR.

### B. Letter Grades (A, B+, B, C+, C, D+, D and F)

### C. Pass-Fail Grading (S/U)

### D. WF-W

1. WF is automatically assigned for withdrawal from a course after free drop date. The grade is treated as an F in the evaluation of GPR.

2. W is recorded on a student's permanent record for courses dropped after the last day of late registration but before the free drop date.
3. W may be assigned in exceptional cases to indicate satisfactory performance in courses from which a student withdraws after the free drop date. Forms are available in the Records Office.

E. Incomplete (I)

1. Indicates failure to complete some portion of the assigned work in a course.
2. By arrangement with the Instructor, the student will have 12 months in which to complete the work before a permanent grade will be recorded.

Note: A new policy covering Incompletes was adopted by the Faculty Senate in July 1979. Details of this procedure are currently being worked out.

F. Audit (AUD)

1. Indicates a course was carried on an audit basis.
2. The student is not responsible for any course work and the grade is not computed in totals.

G. No Record (NR)

1. Assigned by Records Office only, in the event an instructor fails to submit a student's grade.
2. Temporary grade, to be replaced by a valid letter grade. If no grade is assigned, the student automatically will receive credit at the end of the following semester.

### III. FACULTY GRADE REPORTING

All grades shall be due in the Office of the Director for Admissions and Records by that office. Grade sheets are to be hand-carried to the Records Office (not sent through the mail). The Director for Admissions and Records is responsible for delivery of the grades to the Office of Administrative Services on the Columbia campus for processing. Final grades for graduating seniors must be handed in one week before graduation and this contingency may call for an earlier examination.

### A. Final Reports of Grades

1. The faculty member is responsible for entering a written grade for each student listed on the roll, a corresponding plugged grade in the optical scan area to the right, and an instructor signature in the space provided.
2. The faculty member cannot assign the following grades unless the option is indicated on the Grade Roll:
  - a. Pass-Fail grades can be assigned only when P/F has been preprinted near descriptions.
  - b. An Audit cannot be assigned on a grade roll. If the student has opted to audit the course at registration, the audit area will be automatically plugged by the computer and the grade of AUD printed.
  - c. A WF grade should not be assigned by the professor. If a student has late-dropped or officially withdrawn, the WF grade will be plugged automatically by the computer.
  - d. A W grade cannot be assigned by anyone but the Records Office upon receipt of the approved form from the student's Dean.
3. An I should never be used as a substitute grade when the grade cannot be assigned through fault of the instructor or school. Incompletes are computed as F in a student's GPR. It is best to leave the area blank and use a Grade Roll Correction form for explanation. The final grade should be forwarded to the Records Office by an official letter from the faculty member.
4. The detachable area on the right of the Grade Roll is to be used for posting grades within the department.

### B. Grade Roll Corrections

Grade roll corrections (see "Sample Forms") are used by the instructor to help make corrections to the Final Grade Rolls and must be completed as follows:

1. Student's full name (printed)
2. Student Number (social security number)
3. Department course and section (exactly as printed on your final grade roll)
4. Credit hours assigned to the course
5. Grade (if applicable)

6. Type of change (mark only one with "X")
- a. Attended this class but not on the roll--assign grade.
  - b. Never attended this class (possibly not enrolled in this section)
  - c. Dropped course officially before penalty date. Check this block if your records indicate that an official Change of Schedule form was signed by you or your department. If you do not have a record of the official Change of Schedule form, the student should be assigned an appropriate grade.
  - d. Miscellaneous Change:
    - i. Credit (for variable credit only), audit problem (i.e., an apparent auditor shown for credit or vice versa--indicate AUD for auditor, letter grade for non-auditor)
    - ii. Pass/Fail problem (P/F option shown in error or missing--include grade)
    - iii. Other--Explain as appropriate on lower line.

#### IV. GRADE CHANGES/ERRORS IN RECORDING GRADES

- A. In case of error in reporting of final grades, the Instructor shall complete the approved form and send it to the Director of Admissions and Records, who shall then place the issue before the Academic Affairs Committee.
- B. If a student wishes to challenge his or her grade, it must be done before the end of the following semester.
- C. Special make-up work or examinations to change grades already recorded are not permitted.

#### V. WITHDRAWAL

A student withdrawing after the last day to drop a course without penalty may petition to receive a grade of W rather than WF by submitting an "Assignment W Grade for Medical Reasons or Extenuating Circumstances" to the Records Office. This form will be sent to the faculty member to determine if the student has earned a W or a WF. This form is to be returned to the Records Office.

FEDERAL AND STATE GRANT SEEKING

The Office for Development and Sponsored Projects (Administration 202, ext. 203) has the responsibility for coordinating federal, state, and foundation grant seeking. The office will assist faculty in locating funding sources and in getting the proposals written, typed, and supported. The following procedure is suggested for persons seeking grants:

- (1) Formulate the idea in one or two written pages.
- (2) Discuss the idea and the grant guidelines with the Director for Development and Sponsored Projects (Dr. Jan Yost).
- (3) Clear all grant proposals with the Director for Development and Sponsored Projects, the Vice Chancellor for Academic Affairs, the Chancellor, and the Office of Research (Columbia campus).
- (4) Seven working days prior to the grant deadline, submit a copy of the grant proposal, a completed Sponsored Project Review and Approval Form, and a completed GCR-1 Form (which also fulfills any required A-95 Clearinghouse review) to the Office of Research (Columbia campus).
- (5) The Vice President for Finance, University of South Carolina, signs grant proposals for the University system thereby financially obligating the University.

POST-AWARD GRANT ACTIVITIES

Once a federal, state, or foundation grant is awarded, it is necessary for the Director for Development and Sponsored Projects to monitor the handling of the grant. Therefore, the following procedures should serve as guidelines to grant recipients:

- (1) The hiring or transferring of any USCS personnel (whether the position is classified or unclassified, full- or part-time) must be communicated to the Director for Development and Sponsored Projects prior to offering the position to a candidate.
- (2) The purchase of equipment or supplies with grant funds must have the purchase requisition routed to the Director for Development and Sponsored Projects who will forward, upon clearance, to the USCS Business Office.
- (3) In general, the spending of any grant funds regardless of purpose (e.g., travel, foods, hiring of consultants, contracting for service, etc...) must be reviewed by the Director for Development and Sponsored Projects prior to committing USCS.

- (4) When grants require a cost share by USCS, the principal investigator must confer with the Director for Development and Sponsored Projects (1) at least two weeks prior to the grant start-up date, and (2) approximately two weeks after the grant start-up date. If the cost share is to continue beyond the semester in which it became effective, the principal investigator must again confer with the Director for Development and Sponsored Projects (1) at least two weeks prior to each affected semester, and (2) approximately two weeks after the beginning of each affected semester.

#### ROOM USE

Campus rooms and facilities are scheduled through the Student Affairs Office (ext. 336), once the class schedule is set. The use of any campus room or facility requires prior reservation.

#### WEATHER EMERGENCY ANNOUNCEMENTS

The Chancellor will determine when hazardous weather conditions warrant releasing employees from duty. When USCS is to be closed, announcements will be made by local media. Employees who have questions may call the switchboard.

#### OFF-CAMPUS TELEPHONE CALLS

To dial a number in the Spartanburg area, dial 9 and then the number.

For all other off-campus telephone calls it is necessary to first call the USCS switchboard by dialing "operator." For calls to the Greenville area, request the "Greenville line." For all other calls, request the "Columbia line." If there is a waiting list, the requestor will be called when his/her turn comes and will then be notified that the line requested is available. The requestor then hangs up the telephone and when it rings again it should be the requested line. The following procedures then apply:

Greenville line: dial the appropriate number

Columbia line:

On the Columbia campus, dial the extension (four digits)

Regional or Branch Campus of USCS, dial the extension (four digits)

In Columbia--off campus, dial 9 and then the number

In State (not in Columbia, Greenville, or Spartanburg)--  
dial 9 - 1 - number

Out of State--dial 9 - 1 - Area Code - number

Long distance information--dial 1 - Area Code - 555-1212

**SERVICES**

LIBRARY

The information below should answer the most frequently asked questions about the Library's policies and procedures, but if more information is needed, please call the Library. A copy of the Library Staff Manual is kept at the circulation desk for anyone who cares to look through it.

Circulation policies

Books are checked out for at least two weeks and are due the last date stamped on the date card.

Books may be renewed as many times as desired unless someone else requests them.

Books requested by someone else are called in on the date due; overdue books requested by someone else are called in immediately.

Fines are not charged for overdue books unless the borrower is late in returning them after the books have been called in for someone else's use.

All books should be returned before the end of each semester, and if they are not returned, the borrower is billed for them. The return of a book after the Library has ordered a replacement copy does not clear the borrower's record; the book must be paid for.

All books lost or badly damaged must be paid for by the borrower.

All Library records involving names of people requesting books or information and reference help are confidential and will not be made available.

A replacement fee is charged for lost library cards.

Borrowers are responsible for all books checked out on their cards; if a library card is missing or stolen, borrowers are responsible for all books checked out on the card before the date the Library is notified that the card is missing.

Reference works may be checked out by faculty members for twenty-four hours; a limit of two items at a time is enforced.

The latest issue of a periodical may be checked out by faculty members for twenty-four hours; a limit of two periodicals at a time is enforced.

Except for reference books and periodicals, circulation policies are the same for all USC at Spartanburg Library users.

Reserve material policies

For student and faculty convenience, required reading for courses may be put on reserve in the Library by instructors. Faculty members must fill out a Reserve Request Form (see example in "Sample Forms") for each class each semester. Please allow one week for the Library to process any materials you want on reserve. Faculty members determine what type of reserve they want from the kinds the Library offers, but for the time something is on reserve, all students using the material are bound by the Library's rules.

All items remain on reserve until the end of the term when they are automatically removed unless the faculty member notifies the Library earlier in writing or by phone that an item is no longer needed.

Bound periodicals and reference works owned by the USC at Spartanburg Library will not be put on reserve.

Any work owned by another Library will not be put on reserve except for works owned by Cooper Library in Columbia which may be placed on reserve for students in the Graduate Regional Studies Program.

Faculty members may not change the type of reserve they requested except by calling or writing to Teresa Pappas, Sheila Anderson, or Valerie Burnie.

Reserve materials are determined by faculty members; therefore, any record of which students checked out which item is available to the faculty member who placed the material on reserve.

Photocopies for reserve will not be made by any staff member in the Library; each faculty member is responsible for all photocopies he or she wants to place on reserve.

No material will be accepted for reserve if violation of the Copyright Law is involved.

Copying machines

If material owned by the Library is to be copied for non-personal use by a faculty member, the charge is absorbed by the Library.

Any material not owned by the USC at Spartanburg Library may not be copied on any machine in the Library without payment being made.

Faculty members who wish to copy Library owned material for non-personal use must call or come by the circulation desk each time copies are to be made if they send student workers to do this for them.

### Interlibrary loans

Interlibrary loans for personal use are available through the Library. All fees are to be paid by the faculty member ordering the material.

Interlibrary loans which are for faculty members' classroom use, not for personal use, can be charged to the school. In order to charge such material, the faculty member must have a "Request for Direct Expenditure" form signed by the dean, and the form must be given to a reference librarian at the time the interlibrary loan is requested. Forms are available in school offices and in the Business Office. ILL Request Forms are available in the School Library (see example in "Sample Forms").

Failure to return interlibrary loan books on time will result in the loss of interlibrary loan services through the USCS Library.

### Classes in search methodology

The librarians provide programs to teach the efficient use of the Library. Each faculty member wanting to make use of this service for classes should call the Library to make arrangements with a reference librarian.

### Cooper Library, USC, Columbia

Faculty members from Spartanburg who wish to make use of borrowing privileges at Cooper Library must have a validated ID card; the validation sticker must be for the current school semester. Validation stickers are available in the Business Office on the Spartanburg campus.

It is possible to have ID cards made in Columbia on the USC campus in Pettigru Building on Monday - Friday, 9:00 a.m. - 5:00 p.m. It will be necessary to have proof that you are a faculty member on the Spartanburg campus. A note from the Business Office in Spartanburg is sufficient if you are not listed in the USC Directory.

If you are going to be at Cooper Library but have not had a chance to have an ID made, a note from the Business Office on the Spartanburg campus stating that you are a faculty member will be sufficient for you to check out books until you have an ID. However, in this case, Tom Marcil, Circulation Librarian at Cooper, requests that you call him so he can alert his staff. Tom's number is 4866 on the Columbia line.

### Audiovisual Distribution Center

Filmstrips, records, slides, audiocassettes, video cassettes, kits, models, and games are available in the Library Audiovisual Distribution Center. These items do not circulate, but faculty members may check them out for classroom use and they may be put on reserve for courses. The AVDC has its own card catalog, and all materials are also listed in the main catalog in the library. Cards for these materials are identified by a red stripe on the left of the card and "AV Center" above the call number.

CHILD DEVELOPMENT CENTER

Day care services are available at the Burroughs Child Development Center, located on the campus. The hours of the regular program are from 7:30 a.m. to 5:30 p.m. Children who are three, four, or five years of age have the opportunity to be involved in a total learning experience.

The center's purpose is to help each child develop cognitively, emotionally, socially, and physically. Weekly field trips and resource people help give the children a better understanding of the world around them. A staff of certified teachers, senior citizens, volunteers, and students strive to meet individual needs of the children.

Breakfast and lunch are served to the child as well as two supplemented snacks which meet USDA requirements. Transportation is available. The cost is \$22.00 per week. Visitors are welcome.

In addition, an after-school drop-in day care service is available during the academic year from 3 p.m. to 8:30 p.m. Cost is 75¢ per hour for the first child in a family, \$100 for two children in the same family, and \$1.25 for three children in the same family.

TEST SCORER

A mechanical test scorer for correcting the multiple choice type of test is available in the Library Building, 2nd floor. Its operation can be explained by Susan Gilmore. The printed answer sheets that must be used with the scorer include space for answers to 100 questions, each with five choices. The answer sheets are available from school secretaries.

TRAVELING ROAD SHOWS

The Counseling and Career Development Center offers "Traveling Road Shows" for presentation in class, either as a change of pace or if a faculty member has to miss a class. The list that follows is of presentations already prepared, which can be given on short notice. If a new presentation is desired, a minimum of two weeks notice is needed.

### TUTORING LAB

The Tutoring Lab is open to all students at the University at no fee. The lab is staffed by faculty and student assistants who have been oriented to Lab procedures and policies. These staff members have had intensive in-service training to develop competent study skill techniques, to aid students who visit the Tutoring Lab, and to develop communicative skills in order to recognize primary student needs.

The Tutoring Lab represents a genuine concern of faculty representatives from all disciplines at the University to meet the needs of all students at the University.

The following areas are represented in the Tutoring Lab.

1. English
2. Mathematics
3. Physical Science, Business, Computer Science, Psychology, History and Sociology.
4. Study skills for ALL disciplines

The Tutoring Lab will operate from 8:30 a.m. to 6:30 p.m. Monday through Thursday or by appointment. Faculty may refer students to the Tutoring Lab as either a voluntary or mandatory undertaking. Attendance is mandatory if the faculty member makes attendance or specific improvements a requirement for satisfactory completion of the course.

The following forms (see "Sample Forms") will be used by the Tutoring Lab and faculty members in order to facilitate achievement of Lab goals:

- (1) Instructor's Lab Referral Sheet. This form should be used to refer a student to the Lab. The more complete and specific the information provided by the faculty member, the better prepared the Lab staff will be to aid the student.
- (2) Lab Acknowledgement of Student Referral. This form is simply a means of letting the faculty member know that the student referred to the Lab has reported to the Lab and requested assistance.
- (3) Instructor's Feedback Sheet. This form provides the Lab with feedback from the professors concerning Lab procedures and an evaluation of the student's development.

For additional information, contact Hermenia Gardner, ext. 341 or 343.

#### READABILITY EVALUATION OF TEXTBOOKS

Faculty members may request a readability evaluation of their textbooks or of new adoptions under consideration. The evaluation determines the reading level appropriate for the text, given as a class level (e.g., tenth grade reading level, thirteenth grade/or freshman reading level). Requests should be made to Dr. Jane Davisson, L225, ext. 343.

#### STUDY SKILLS PROGRAMS

One and two-day classroom programs may be requested by faculty members for their individual classes on:

- "How to Study"
- "Friend or Enemy-Tests"
- "There are Only 24 Hours in a Day"
- "How to Memorize"
- "Underlining or Outlining?"

Requests should be made to Dr. Jane Davisson, Director of Developmental Services, Ext. 343.

CAMPUS NURSE

The office of the campus nurse, Kathy Norman, is located in A301 (ext. 243). She provides nursing services for minor illnesses and first aid in care of injuries. She also teaches lab, so she will not be in her office at all times. If there is no answer at her extension, call 573-8173 and give your message at the sound of the beeper.

EMERGENCY PROCEDURE:

- (1) Should an emergency arise, notify the Public Safety Office, ext. 269. In case of accident or injury on campus, faculty members are normally asked to notify the campus nurse (Kathy Norman, ext. 243). If there is no answer, dial 9-573-8173 and state your extension or location. The nurse will get to a phone and call you back.
- (2) If the problem is in the nature of an emergency (heart attack or any situation obviously requiring an ambulance, etc.), call the switchboard operator before contacting anyone else so that emergency assistance can be on the scene more quickly. Then the campus nurse or security guards (evenings and weekends) can be contacted.

NATURAL AREA

A natural area, including nature trail, outdoor classroom and picnic area, was developed by the Student Government Association in 1975. It is located in the area of the Child Development Center. Reservations for the outdoor classroom are handled by the Student Affairs Office, Ext. 336. Anyone wishing to modify the area in any way should seek the approval of the Facilities Planning and Utilization Committee, which will establish guidelines for use in the area.

SCHOOL SECRETARIES

Each school has a secretary to aid the faculty members of the division in completing their job-related tasks. Deans establish their secretary's responsibilities and the procedures to be followed by school members. All travel vouchers, purchase orders, and requests for supplies are to be handled through school secretaries.

COUNSELING, CAREER DEVELOPMENT AND PLACEMENT SERVICES

Personal problem solving, career planning and placement services are provided by the Counselors in the Counseling and Career Development Center and the Hodge Center. The Career Development Center houses a career information library and a placement office.

The center offers programs in (1) Personal Counseling, (2) Career Planning and Development, and (3) Placement. Included in Career Planning and Development are such services as individual and group counseling, self-awareness programs and career exploration. Tests are administered as needed to determine students' interests and abilities. Presentations are made to students through the academic departments about career opportunities.

The Placement Office is responsible for the placement activities for all USCS students (including Nursing Students) and Alumni. Its primary function is to assist in finding and securing part-time and full-time employment. Job opportunities are posted on campus bulletin boards in the Media Center, Library Building and the Hodge Center. Deans of Schools are notified of interviewing opportunities available to students in their fields. Seniors are encouraged to register and set up credentials files prior to graduation.

A large career information library, including employer information, is provided for faculty and students. Several lists of employers' names and addresses are available for students desiring to make individual contact with employers, and credentials files are sent upon their requests.

Workshops are conducted throughout the year to provide assistance in filling out applications, writing resumes, job search techniques, and interviewing. The program is affiliated with the College Placement Council on the state, national and regional level. The center also has information on summer jobs for faculty.

The placement office is located in the Counseling and Career Developmental Center, 2nd floor, Media Building. Telephone 412 for more information.

#### STUDENT WITHDRAWALS

Students begin the withdrawal process at the Counseling and Career Development Center, where they are given the necessary forms. They will be directed to one of the Center's counselors so that reasons for the withdrawal may be determined and appropriate help offered. The withdrawal process will be explained to the student, and any questions as to the student's rights and responsibilities will be answered. A form notifying advisors of their advisees who intend to withdraw from USCS will be filled out at the Center and sent to the appropriate advisor. It is hoped that this monitoring process will result in clear information for those who wish to withdraw, an offer of assistance to those who may be desirous of remaining in school, and information concerning why students leave school so that retention efforts may be strengthened.

COOPERATIVE EDUCATION

Cooperative Education is a USCS program which integrates classroom study with planned, alternating, career-related work experiences in industry, business, and government agencies. Co-op can:

- \* Give students experience in the world of work
- \* Assist students in finances in their education
- \* Give students the edge in finding full-time professional employment after graduation

The Cooperative Education Office is located in the Counseling and Career Development Center, 2nd floor, Media Building. Telephone 417 for further information.

Unless otherwise stated, the films come for 1-3 days use and must be returned on time.

### COMPUTER SERVICES

Computer service for academic and research is provided to Faculty members and students by the Computer Services Division. Consultants are provided to assist with programming and statistical and mathematical analysis, and offers short courses to acquaint users with procedures and programming languages.

The Division's capabilities are built around a Data 100 terminal which is linked to a central Amdahl AV6 in Columbia. Time-sharing terminals are also available. Support hardware, located on the Columbia campus, includes an Optical Mark Page Reader, a Calcomp Plotter and a Microfilm Output Unit.

Normal operations hours are:

#### Fall and Spring Semesters

8:00 a.m. - 9:00 p.m.	Monday through Thursday
8:00 a.m. - 5:00 p.m.	Friday
2:00 p.m. - 6:00 p.m.	Sunday

#### Summer Semesters

9:00 a.m. - 4:00 p.m.	Monday through Friday
-----------------------	-----------------------

Requests for additional services, such as tours or expended operation hours, must be directed to the Manager of Computer Services.

### WORD PROCESSING CENTER

The Word Processing Center was established to provide administrative and clerical support services to faculty, staff and administrative personnel. Services include routine typing and duplication of tests, handouts, memoranda, correspondence, proposals and miscellaneous documents. The center also has magnetic card storage capabilities and a Lanier remote dictating system for special projects.

Operating as part of the Word Processing Center is a limited print shop featuring an IBM Selectric Composer, and A-M Automated Offset Printing System, a headliner, and a GBC Binder.

Priority service by the Word Processing Center is to the School of Humanities and Sciences. Typing and duplicating services for official correspondence and classroom materials are provided free of any charge to the School.

Other work for faculty in the School of Humanities and Sciences or any other departments and schools will be performed on a charge-back basis using funds in the school or departmental budget. Each job should be accompanied by a work order signed by the appropriate Dean or his or her designated representative.

Because of restrictions in the use of state funds and the auditing difficulties involved in accepting cash payments for Word Processing services, the center does not ordinarily accept non-university work from faculty, students, or the general public. The Director for Information Services will be happy to recommend commercial printers in Spartanburg for these services.

#### PARKING

It is the University of South Carolina at Spartanburg's practice to register vehicles of faculty members with the Public Safety Office. Vehicles are required to have a current parking decal fixed to the left rear bumper. Decals are not transferable and registrants agree to remove them on disposing of vehicles or on severance of University connection.

Traffic and parking regulations are published annually. Copies may be obtained from the Public Safety Office. Faculty and staff are expected to observe these regulations.

#### CAMPUS SECURITY AND EMERGENCIES

The Campus Security is located on the first floor of the Administration Building. This department handles all security matters, including traffic control. In case of an emergency dial, ext. 269. If there is no answer, call the USCS switchboard. Reports of thefts, vandalism, traffic accidents and other matters occurring on the campus and normally handled by the police should be promptly reported to the Campus Security. Nights and weekends call 578-7827.

Other emergency numbers include: County Police 582-6791; Fire Department 576-3211; Emergency Medical 585-9156. On internal University phones dial 9 to obtain an outside line.

#### MAIL SERVICE

Mail is collected from and delivered daily to all departments by the Campus Mail Service. Internal correspondence between departments, schools, and divisions of the University is also handled by this agency.

### INFORMATION SERVICES

The Office of Information Services at USCS provides several important communication links within the campus community as well as the general public.

- (a) Media Relations - It is the policy of USCS to aggressively seek newspaper space and radio-TV time by being open and cooperative with the news media in all instances and by providing professional quality news releases and public service announcements through a central agency. Faculty are urged to assist in this program by responding freely and openly to any media questions regarding their area of expertise. Faculty or staff should generally avoid approaching the media or making statements to media about USCS Policies and Procedures without the assistance of the Associate Chancellor for University Relations or the Director for Information Services.
- (b) Publications - Information Services is responsible for the publication of the quarterly alumni tabloid "On Target," and a weekly publication for faculty and staff consisting of official announcements, unofficial campus notes and a calendar of events. Items for this latter publication may be submitted either to the Faculty Secretary-Elect or to the Office of Information Services.

As part of the effort to maintain a coordinated and economy-conscious printing program, all publications intended for outside distribution are reviewed by the Director for Information Services for practicality and accuracy. All printing which will be done by outside vendors must be undertaken through the Office of Information Services.

- (c) Speaker's Bureau - Faculty are urged to participate in this public service activity which provides free speakers to civic clubs, high school groups, and other organizations. An attractive brochure is published each year outlining topics, and the university will pay mileage for speaking engagements which require round trips of 30 miles or more. Participation in the Speaker's Bureau is considered evidence of university service in the promotion and tenure process.

### RECREATIONAL FACILITIES

G. B. Hodge Physical Education Center. The University's Physical Education Center, outdoor fields, and outdoor courts are available for use by members of the faculty and their families.

Equipment available on a no-charge basis includes: badminton racquets, basketballs, footballs, golf clubs, jump ropes, medicine balls, volleyballs, ping pong equipment, soccer balls, softball equipment, and weights.

Locker Room and Clothing Fees. All faculty, staff, and dependents who wish to use the locker room and use a lock and locker may do so free of charge by checking with the Athletic Office.

Tennis Courts. The tennis complex, adjacent to the Child Development Center, should provide many enjoyable hours for both students and faculty. Physical Education classes and the tennis team have priority for use of the courts. Please check the rules, which are posted.

#### THE CAMPUS BOOKSTORE

The campus bookstore, located in the Hodge Center, offers to both students and faculty the necessary curriculum textbooks and other course related materials. In addition to a large selection of general trade books, it also makes available supplemental, campus oriented merchandise. At the appropriate times academic regalia and class rings are offered through the bookstore.

#### DUPLICATING FACILITIES

Each building is equipped with a spirit duplicator, a mimeograph copier and a xerox or IBM copier for the convenience of the faculty and staff.

ADMINISTRATIVE AND EDUCATIONAL SERVICES

Office of the Registrar

TO: All Instructors  
FROM: T. Luther Gunter, Registrar  
SUBJECT: Grade Roll Corrections

The reverse side of this page is the form on which you can notify the Registrar's Office of apparent errors in the enrollment records of one of your classes. Note that one form is used for each section. If it is necessary to use this form, please fill it out completely (instructions below) and paper clip it to the original grade roll for that section. Please do not use staples. Note that this form can be used only in conjunction with an existing grade roll. On completion of all of your final grade sheets and corrections, please submit them to your department head, who will be responsible for turning in all final grade sheets from the department to Records Office by the pre-determined deadline.

Since this form will become a part of our permanent grade records, all entries must be completed as follows:

1. Student's full name (printed)
2. Student number (social security number)
3. Department, course, and section (exactly as printed on your final grade roll)
4. Credit hours assigned to the course
5. Grade (if applicable)
6. Type of change (mark only one with "X")
  - A. Attended this class but not on the roll - assign grade
  - B. Never attended this class - (possibly not enrolled in this section)
  - C. Dropped course officially before penalty date. Check this block only if your records indicate that an official Change of Schedule form was signed by you or your department. If you do not have a record of the official Change of Schedule form, the student should be assigned an appropriate grade.
  - D. Miscellaneous Change -
    - i. Credit (for variable credit only), audit problem (i.e., an apparent Auditor shown for credit or vice versa - indicate AUD for Auditor, letter grade for Non-auditor)
    - ii. Pass/Fail problem (P/F option shown in error or missing - include grade)
    - iii. Other - Explain as appropriate on lower line.

**IMPORTANT:** Your corrections help us straighten out enrollment problems remaining at grade time. However, before any change is processed the student's official registration material will be checked.

If our search uncovers an error in recording a student's registration, we will correct that error and take the action you request on this form. If no error is found, however, no change will be made. In that case, it is the responsibility of the student, having been notified by the Final Grade Report, to come and initiate whatever corrective action is appropriate.

# ASSIGNMENT OF "W" GRADE FOR MEDICAL REASON OR EXTENUATING CIRCUMSTANCES AFTER PENALTY DATE

A student withdrawing from the University or an individual course before the last date to withdraw without academic penalty will have no entry on his transcript for the course(s). A student withdrawing from the University or dropping a course *after* the free drop date will normally receive a grade of "WF." However, a grade of "W" may be assigned for a drop after the free drop date in exceptional cases requiring the concurrence of the appropriate academic dean and the instructor(s). This special assignment of the "W" grade is used primarily in cases of full withdrawal from the University during the term, or withdrawal from an individual course, for medical reasons. If approved by the academic dean and the instructor, a grade of "W" can be assigned for any course. The grade of "W" will not appear on the student's transcript until this request is approved and submitted to the Records Office. NOTE: in cases where the form is not returned to the Office of Student Records in 30 days from the date of withdrawal, the Registrar will make the decision.

In accordance with the withdrawal policy as set forth by the Faculty Senate, I request the following grade be assigned to:

### IV. SAMPLE FORMS

**ORGANIZATION**

FACULTY SENATE

Membership on the Senate is confined to individuals who are eligible to vote in general faculty meetings. Representation is allocated as follows: one representative for each five faculty members, or portion thereof, of the library and each academic division or school, plus five delegates elected at-large. The school (divisional) representatives are elected by secret ballot by members of that school (division) prior to the September faculty meeting, and at-large representatives are elected by secret ballot by all members of the faculty at the September meeting. The term of office is three years, with the term of one-third of the Senate expiring each year. The Faculty Secretary-elect and the Recording Secretary are also voting members of the Senate.

The presiding officer of the Senate is the Faculty Secretary, who is called the Chairperson of the Senate when acting as the presiding officer. The Faculty Secretary-elect presides over the Senate in the absence of the Faculty Secretary. The Faculty Recording Secretary serves as Secretary of the Faculty Senate. The Senate elects a clerk from a list of secretaries submitted by the Administrative Assistant to the Chancellor; the term of office is one year, with re-election possible.

All meetings of the Senate are open; all members of the faculty have the right to address the Senate. All votes taken in the Senate are by voice, unless an alternative method is desired by at least ten Senators. A decision passed by the Senate may be overruled by a majority of the faculty present at a regular or called faculty meeting. The Faculty Secretary must call a faculty meeting for the purpose of reconsidering an action of the Senate upon receipt of a petition signed by 25 percent of the voting members of the faculty.

The faculty delegates to the Senate all business except the election of faculty officers, committee members and at-large delegates to the Senate, and the consideration of other matters which the faculty wishes to reserve to itself. Regularly scheduled faculty meetings are held in September and April for the election of standing committee members, at-large delegates to the Senate, and faculty officers. Faculty committees make their reports directly to the Faculty Senate.

FACULTY COMMITTEE STRUCTURE--GENERAL

Terms. Terms of all appointed and elected members are for three years beginning in the first full month of the academic year, unless specified otherwise. No member may at one time serve as a voting member on more than two standing faculty committees.

Ex-officio Members. Ex-officio members are not considered to be members of a committee insofar as computing their maximum of two committee assignments is concerned. The role of ex-officio members of a committee is to serve in an advisory capacity. Ex-officio members should make available to the committee their knowledge, and they are not empowered

with a vote, except as noted, in the decisions of the committee. They should not attempt in any way to exercise control in the decisions of the committee except at the request of the committee. An ex-officio member of a committee cannot be elected chairperson of a committee since his or her membership is in an advisory capacity only. This provision is in accordance with an ex-officio member's not having voting rights, since the chairperson of a committee is normally allowed to vote in case of a tie. The Chancellor is an ex-officio member of all committees and will not be listed as such separately.

Chairperson. Each committee will elect its own chairperson annually during the first full month of the academic year, unless specified otherwise. The chairperson will vote only in case of a tie. A faculty member may chair only one committee.

Chairperson-elect. Each committee will also choose a chairperson-elect who will normally become a chairperson after one year. The chairperson-elect will preside in the absence of the chairperson.

Vacancies. Vacancies in committee membership caused by unexpired terms will be filled by appointment or election in accordance with the means by which the position originally was filled.

Appointments. All appointments to committees will be made by the Chancellor.

Responsibility. Committees serve in an advisory capacity to the Faculty and/or the Administration. Committee chairpersons will report all committee actions and recommendations in writing to the Faculty Secretary. All committee actions are advisory until confirmed by the Chancellor.

Elections. All elections will be made by majority vote of the Faculty after due notice of the election has been given.

Scope. It is understood that the duties of committees and their constituent personnel are drawn from and limited to the Spartanburg Campus, except where noted otherwise.

Names of Standing Committees. Academic Affairs, Academic Forward Planning, Admissions and Petitions, Athletic Advisory, Cultural Affairs, Facilities Utilization and Planning, Faculty Advisory, Faculty Welfare, Library, Lifelong Learning, Promotion and Tenure, Student Affairs, Student Financial Aid, University Publications Board.

Implementation. New committees will be activated as deemed necessary and approved by the Faculty. Changes in continuing committees will be made in the month in which the terms of their members are scheduled to begin. In order to fill committees in the first year, it will be necessary to appoint and elect some members for one-year or two-year terms only.

ACADEMIC AFFAIRS EXECUTIVE AND DIVISIONAL COMMITTEES

The Academic Affairs Committee consists of both school (or divisional) committees and an executive committee. Membership in these school (divisional) committees shall be constituted by either

- (a) at least one individual chosen to represent each recognized academic discipline within the school (division) that has three or more faculty within that discipline;
- (b) at least one individual chosen to represent all other academic disciplines having less than three faculty members in that school (division);
- (c) additional members selected at-large to make a total committee membership of five; or,
- (d) in the case of single discipline schools such as Education, Business Administration, and Nursing, a committee of five members selected at-large (provided that the areas of concentration and/or degree programs are equitably represented).

These committees should elect a chairperson from their membership whose responsibilities include

- (1) calling and conducting meetings as needed;
- (2) receiving and processing for dissemination of all proposals for curriculum change within the school (division);
- (3) recording and reporting business to executive committee chairperson;
- (4) designating one member to represent the school (divisional) committee on the executive committee.

The school (divisional) committee is primarily responsible for reviewing and evaluation all proposals for curriculum change initiated by members of that school (division). Their recommendations are forwarded to the executive committee for approval. However, the executive committee cannot revise or alter recommended proposals without the advice of the affected school's (division's) committee.

The Executive Committee is composed of six designated representatives from the schools (divisions). The following are ex-officio members:

Vice Chancellor for Academic Affairs  
Director of Continuing Education  
Head Librarian  
Chairperson of the Academic Forward Planning Committee

**Duties.** To consider and recommend to the Faculty action on all requests for addition or deletion of courses made by the school

(divisional) committees. To review the various curricula of the Spartanburg Campus with special attention to duplication or obsolescence of courses. To consider matters concerning academic requirements and standards, and review current policies and practices for the purpose of making recommendations for changes therein to the Faculty. To consider problems of students who seek relief from the Spartanburg Campus and University scholastic regulations or who feel an injustice has been done them in their academic work. To advise the Associate Chancellor for Student Affairs regarding the academic aspects of orientation.

#### ACADEMIC FORWARD PLANNING COMMITTEE

Consists of six elected faculty members, one from each division, and three student representatives appointed annually by the Chancellor from nominations submitted by the Student Government Association. The Vice Chancellor for Academic Affairs is an ex-officio member.

Duties. To assist in the establishment of priorities for academic programs, the initiation of plans for new programs and concepts, and the cancellation of programs. The committee is expected to consult with appropriate individuals in the community. The committee shall meet at least once each semester with the Chancellor.

#### ADMISSIONS AND PETITIONS

Consists of six voting faculty members, three appointed and three elected. Each year one new member will be elected and one appointed. The Assistant Director of Admissions and the Vice Chancellor for Academic Affairs are ex-officio members. The Assistant Director of Admissions is to serve as committee secretary. The Committee may establish special procedures for reviewing applicants during summer terms.

Duties. To consider the USCS admissions policies within University guidelines and to recommend to the Faculty and the Chancellor any broad modification it may deem advisable. To suspend normal entrance and continuation requirements for individual students, as permitted by USCS and University guidelines.

NOTE: Two additional members will be elected to this committee for a two-year term (1979-81), while the committee and the Faculty Secretary attempt to streamline procedures and duties of the Committee. Also, during this time the Faculty Secretary may appoint temporary members to the Committee when a quorum of three voting members cannot otherwise be achieved.

#### ATHLETIC ADVISORY

Consists of six voting members, four faculty members, two appointed and two elected, and two student members appointed annually by the Chancellor from nominations submitted by the Student Government Association. The Athletic Director is an ex-officio member.

Duties. To rule on all questions of eligibility. To develop a philosophy regarding the athletic program and the scheduling of athletic events. To determine conference affiliations.

#### CULTURAL AFFAIRS

Consists of seven voting members, four elected faculty members and three students. The students are appointed annually by the Chancellor from nominations submitted by the Student Government Association. The chairperson-elect will serve as the USCS Representative to the Arts Council of Spartanburg County. Ex-officio members are the Associate Chancellor for Student Affairs and the Director for Information Services.

Duties. The committee will plan a convocations series and other cultural enrichment programs. The Associate Chancellor for Student Affairs will be responsible for contractual matters, the administration and implementation of the programs, and forward all information concerning cultural programs to the chairperson of the committee. The Director of Information Services will publicize the programs.

#### FACILITIES UTILIZATION AND PLANNING

Consists of three or more voting members:\* two elected faculty members and one student member appointed by the Chancellor from nominations submitted by the Student Government Association. The faculty members shall be elected for staggered terms and may succeed themselves for one term. Additional faculty, student, or other members may be appointed by the Chancellor with the consent of the Faculty. Expansion of the committee as provided above is appropriate when special projects or space utilization problems are being considered. The Vice Chancellor for Academic Affairs and the Director for Development and Sponsored Projects are ex-officio members.

Duties. To advise the administration on the allocation of facilities--buildings and grounds--and on the planning of new facilities.

\*NOTE: The Faculty Secretary will specify the total number after consulting with the Chancellor and the School (Division) Chairpersons on the anticipated work load of the Committee for the year. The Chancellor's appointments should be compatible with the anticipated tasks of the Committee during its upcoming year.

#### FACULTY ADVISORY

Consists of the elected chairpersons of all standing faculty committees, the Faculty Secretary, the Faculty Secretary-elect, and the Recording Secretary. The Vice Chancellor for Academic Affairs will be an ex-officio member. It normally will meet in the interval between regular monthly Senate meetings. The chairperson will be the Faculty Secretary and the secretary will be the Recording Secretary. It is to be understood that membership on the Faculty Advisory Committee is a part of the duties of all committee chairpersons and that this committee assignment does not count in computing the maximum of two committee assignments for each faculty member.

Duties. To study and report on matters which may be referred to it by the Faculty or the Chancellor or which the committee may wish to bring to the attention of the Faculty, and to recommend what action, if any, should be taken. It must present to the Faculty a slate of nominees for regular elective vacancies on committees at appropriate times, and it must present to the Chancellor a similar slate of nominees for appointive vacancies on committees at appropriate times.

#### FACULTY WELFARE

Consists of six voting full-time faculty members, three elected each year, without regard to academic rank.

Duties. To communicate to the appropriate administrative official in the form of suggestions the desires of faculty members pertaining to faculty welfare. To serve as a medium through which the faculty may suggest changes and modifications or make their thoughts relating to faculty welfare known. In general, areas of committee concern apply to the faculty as a whole rather than to individuals and include but are not restricted to:

- a. Fringe benefits, rank, and salary ranges within the University system.
- b. Policies regarding teaching load.
- c. Conduct and professional ethics.
- d. General faculty morale.

The committee hears appeals from any person dissatisfied with the decisions made regarding tenure or promotion. (This remains in effect pending administrative action on a "Grievance Procedure" passed by the Faculty Senate in 1979.)

#### LIBRARY

Consists of nine voting members: six faculty members, three appointed and three elected, broadly representative of the academic disciplines; and three student members appointed annually by the Chancellor from nominations submitted by the Student Government Association. The Vice Chancellor for Academic Affairs and the Head Librarian are ex-officio members.

Duties. To make recommendations on matters of library policy.

### LIFELONG LEARNING

Duties. To act as an advisory committee on matters of program and selection of key personnel in the continuing education program. It should examine the extent to which the University is meeting the educational needs of the community in curriculum and services and make proposals for improvements in serving these needs.

### PROMOTION AND TENURE

Consists of nine voting faculty members, six elected and three appointed. Terms are for three years, with two members elected and one appointed each year. Only full-time faculty members with professorial ranks are eligible for committee membership. Each academic voting unit\* is to be represented, but no more than two faculty members from the same voting unit shall serve at one time. Both regular and special elections of members of this committee shall be held in open faculty meeting with nominations from the floor. Members of this committee are elected in the spring.

Duties. To establish criteria for promotion and tenure and procedures for the operation of promotion and tenure policies subject to approval by the faculty and the Board of Trustees. In accordance with approved criteria and procedures, to make recommendations to the Chancellor regarding the granting of promotion and tenure.

#### INTERNAL OPERATING PROCEDURES AND POLICIES OF THE PROMOTION AND TENURE COMMITTEE AT THE UNIVERSITY OF SOUTH CAROLINA AT SPARTANBURG

1. Each September the committee will notify the faculty that if a faculty member wishes to be considered that year for promotion, or tenure, or both, he or she should request consideration from the committee and should prepare his/her file; also the committee will notify deans or equivalent academic officers to submit to the committee letters of recommendation and a list of faculty members they wish to recommend for consideration. The committee will notify the Vice Chancellor about the date for consideration so that he or she may have the opportunity to place relevant material in individuals' files.
2. Promotion and tenure files are privileged information and under the control of the committee. The files will be kept locked.

\*"Voting units" for this purpose means the Schools of Education, Business Administration, and Nursing and each of the three divisions of the School of Humanities and Sciences.

3. The chairperson and the secretary of the committee, the Vice Chancellor and the respective deans will have access to the files. Two or more members of the committee may have access to the files during the period designated by the committee for reviewing files. The person removing the file must sign noting the time of examination of that file.
4. Each faculty member will have access to his or her own file and can see that material which is not confidential (see 5) when observed by the committee secretary or the assigned secretary. The committee secretary or assigned secretary will remove the envelope of confidential material until the faculty member has completed review of his/her file. The faculty member too will sign, noting the time of examination of his/her file.
5. The committee will provide maximum access, consistent with file security, by individuals to their own promotion and tenure files. However, letters or information submitted in confidence to the committee will be placed in sealed envelopes in the appropriate faculty members' files. Sealed envelopes will be retained by the secretary while a faculty member is reviewing his/her file. A summary of the contents of the sealed envelope in a faculty member's file will be made by the appropriate dean, verified by the Vice Chancellor, and made available to a faculty member upon request by the faculty member. A copy of the summary will be retained in the file.
6. A faculty member may have the staff secretary remove from the faculty member's file any duplicate material, except that in the confidential envelope, and any material placed in the file by the faculty member. To do so the faculty member should request, in writing and by item, that the material be removed.
7. The proceedings of the committee shall be confidential with respect to all written materials reviewed and all discussion of individual cases by the committee.
8. Members should refrain from participation in cases where their personal prejudices may unduly affect their judgment.
9. A faculty member will not serve on the Promotion and Tenure Committee during the year in which his or her case would receive active consideration. Any Promotion and Tenure Committee member who wishes to be considered for promotion, or tenure, or both, during the next academic year should resign from the committee before the spring Faculty Business Meeting at which the election of new committee members will be held. Also, a committee member will not participate in the deliberations where his or her spouse's case or that of a relative is under review.
10. For voting, files shall be grouped by the secretary into categories: (1) promotion to assistant professor, (2) promotion to associate professor, and (3) promotion to professor.

11. The chairperson shall conduct preliminary discussions on the files in each category, selecting files in random order within the categories. The procedure will be as follows: the committee will read and discuss all files to be voted on, noting a candidate's strengths and deficiencies, as well as inadequacies in his/her file. All persons to be voted on will then be sent a letter reminding them of the upcoming vote (this will remind those who have not notified the committee that they do not wish to be voted on). This notice may request by January 10 additional information where there are inadequacies in a candidate's file. In January the committee will complete its deliberations and vote.

To be recommended for promotion or tenure, a two-thirds majority of those voting, with a minimum of five affirmative votes, will be required. The specific reasons for voting for or against promotion and/or tenure should be included on the ballot. The vote will be considered binding unless a majority (5 members of the committee) asks that a particular case be reconsidered.

The committee may request, either orally or in writing, that matters of concern will be discussed by the Vice Chancellor with the candidate. Appeals will then be considered after a required 10-day appeal period. The committee will notify the Vice Chancellor of its recommendations and report statistics on its recommendations to the faculty.

12. A committee member's review and vote based on the information contained in the individual's file will reflect his or her best judgment concerning the overall strength or best interest of the institution, while at the same time considering the individual's interests under the stated rules for promotion and tenure.

To recommend the termination of an appointment should an editor fail to perform his/her duties in a suitable manner. To make recommendations to the Student Government Association and the Chancellor concerning budgets for USCS publications, including salaries to be paid editors. To develop and recommend to the Chancellor publication policies. To select faculty advisors for all publications. To encourage the development of publications which will enhance the USCS educational and extra-curricular programs.

FACULTY SECRETARY

The office of Faculty Secretary shall be filled by the previous year's Faculty Secretary-elect, who shall assume his/her duties after the last scheduled faculty meeting of the spring semester.

Duties. To serve as presiding officer of the faculty and as the chairperson of the Faculty Senate. The agenda will be prepared by the Faculty Secretary at least three days prior to each faculty meeting or Faculty Senate meeting, and circulated to the faculty.

To notify faculty members in writing of all regular and called meetings at least three days prior to the meeting days. To chair the Faculty Advisory Committee. To conduct the Administrative evaluation.

To cast the deciding vote in case of a tie in the voting on an issue before the Faculty or the Faculty Senate.

FACULTY SECRETARY-ELECT

The office of Faculty Secretary-elect shall be filled by one faculty member elected annually at the last scheduled faculty meeting of the academic year.

Duties. To assist the Faculty Secretary and to assume the duties of the Faculty Secretary in his/her absence. To succeed as Faculty Secretary the following year. The Faculty Secretary-elect is a member of the Faculty Senate and the Faculty Advisory Committee, but serves on no other standing committees.

RECORDING SECRETARY

The office of Recording Secretary shall be filled by one faculty member elected annually at the last scheduled faculty meeting of the academic year. He/she may be re-elected.

Duties. To record and distribute to the members of the faculty the written minutes of its meetings. To search the minutes of faculty and Faculty Senate meetings and annually publish a summary of faculty actions. To be a member of the Faculty Advisory Committee and act as its secretary. To serve as a voting member of the Faculty Senate.

#### UNIVERSITY MARSHAL

The office of University Marshal shall be an elected position filled by a faculty member. He/she is elected for a two-year term and may be re-elected.

Duties. To see that the ceremonial programs of USCS run smoothly, specifically to include the following: (1) to instruct Student Marshals in methods of accommodating an audience and to work out an ushering plan for the year with the Student Marshals; (2) to make seating arrangements, including platform seating, for all ceremonial programs, and to prepare a processional line-up for the faculty members; (3) to lead the processional march on ceremonial occasions.

**PROCEDURES**

## REGISTRATION

A notice is sent annually to each faculty member from the Vice Chancellor for Academic Affairs giving the date on which all faculty are expected to return to begin work for each semester. Registration days are indicated on the academic calendar. All faculty are expected to be available to assist with the registration process. Deans notify faculty members of their specific duties at registration.

## GRADUATION

The graduation of students is one of the most important events in the academic year. It represents the recognition of a student's achievement. Because of the significance of the occasion for the students and the institution, all faculty are expected to attend the graduation exercises. Caps and gowns may be rented in the spring through the bookstore if necessary.

## MEETINGS

Classes are not scheduled for the noon hour on Monday, Wednesday, and Friday. This time is set aside for meetings and other functions. Faculty business meetings are regularly scheduled in September and April on dates to be announced. Faculty Senate meetings are held on the third Friday of each month. Faculty Advisory Committee meetings are held the second Friday of each month. Faculty committee meetings are called by the chairperson. These meetings are frequently called for the noon hour on Mondays, Wednesdays, or Fridays. There are occasions, however, when committee business and schedules necessitate meetings at other times. The chairpersons attempt, insofar as possible, to arrange times convenient for all members. Attendance at committee meetings, faculty business meetings, and other meetings such as those of a division or a school is a prime responsibility of every faculty member.

## PROFESSIONAL TRAVEL

Attendance at and participation in professional association meetings is strongly encouraged by the University. Funds are available in each school for travel for faculty members in that school who are interested in attending such meetings. The deans can supply the faculty member with full information regarding the funds available for such purposes.

## OFFICE HOURS

It is the philosophy of the University of South Carolina at Spartanburg that faculty and administrative personnel be easily available to students. Consequently, every faculty member is expected to post and maintain office hours. A schedule of five hours a week, or one hour each class day shall be considered as minimally acceptable. Each faculty member should submit a copy of his/her schedule to his/her dean.

TARDINESS-ABSENCE

Tardiness to class on the part of faculty members is frowned upon by the University. However, should an emergency delay any instructor from meeting class at the appointed hour, it has been generally agreed that students are under the obligation of waiting at least ten minutes past the scheduled class time.

In the case of illness or other emergency necessitating absence from class, the faculty member should notify his/her dean immediately so that arrangements can be made for the class. Deans are also charged with filing monthly attendance reports for their faculty with the Business Office.

PAY CHECKS

Faculty on nine-month contracts will normally receive their pay in 18 equal installments. Fall semester checks are available from the division secretary on August 31, September 15, September 30, October 15, October 31, November 15, November 30, December 15 and December 22. Spring semester checks are available on January 15, January 31, February 15, February 28, March 15, March 31, April 15, April 30 and May 15. Summer I checks come at the end of the term. Summer II salary is divided into two equal checks, available July 31 and the end of the term.

VISITING SPEAKERS

Any special convocations or other assemblies outside regular class meetings and involving off-campus speakers must have the approval of the Chancellor prior to the invitation of speakers or performers. Normally the recommendation should be submitted by the faculty member at least two weeks in advance of the desired date to allow time for reviewing the merits of the request and for scheduling on the University calendar. Nothing is official until the event has been cleared and added to the calendar in the Office of Student Affairs. After the event has been scheduled, the Associate Chancellor for Student Affairs and the Director for Information Services will assume responsibility for appropriate promotion and publicity.

GRADUATE STUDY BY FULL-TIME FACULTY MEMBERS

The improvement of professional qualifications by faculty members is encouraged. However, in order to minimize any disruption of the University of South Carolina at Spartanburg schedule and related activities, all plans for graduate study must be presented each semester to the appropriate dean, who will submit his/her recommendation to the Vice Chancellor for Academic Affairs for approval. Final approval rests with the Chancellor.

### STUDENTS' RIGHT OF PRIVACY REGARDING GRADES

Faculty members must not post, as public information on bulletin boards, office doors, or elsewhere, any grade (daily quiz, hour quiz, midterm grade, final examination, or semester grade) of any student by name. Such practices, including associating a student's grades with his or her initials, have been determined by the courts to constitute an invasion of privacy. Class grades may be posted properly when the grade of an individual student on the list is associated with his/her social security number only.

In addition, the practice of leaving graded quiz papers indiscriminately outside faculty offices or on classroom tables could be interpreted as an invasion of privacy and is therefore prohibited.

### ACADEMIC ADVISEMENT AND RECORDS

The Associate Chancellor for Student Affairs and the Deans of the Schools are responsible for the academic advisement program. The following are presently being used:

#### Assignment of Advisors

- (1) Entering freshmen students who are admitted as regular students and have declared a major will be assigned an academic advisor by the dean of their area.
- (2a) Undecided freshman students who are admitted as regular students will be assigned an academic advisor from a group of specially trained undecided advisors.
- (2b) When the undecided student makes a definite decision on a major, he/she will be reassigned to an advisor in that area by the dean of the appropriate school.
- (3) Entering freshmen students admitted as "branch specials" or scoring very low on placement tests will be advised by the Developmental Services Faculty until they are removed from the branch special status.
- (4) Advisors for students in the Bachelor of Arts/Bachelor of Science in Interdisciplinary Studies (formerly BGS) will be selected by the Coordinator of the BIS program, who will maintain all files on these students.
- (5) All transfer students are assigned to deans for advisement and evaluation of transcripts.
- (6) Deans will be responsible for maintaining records of students majoring in their areas. If a student changes his/her major, this file will be transmitted to the Student Affairs Office for reassignment.

- (7) Records for undecided students are housed in the Student Affairs Office. They will be released every semester to the advisor and returned to Student Affairs after the advisement period.
- (8) Records for students in BIS are housed in the Coordinator's Office.

#### ACADEMIC DISCIPLINE

The Student Affairs Committee handles infractions of academic discipline in the following manner:

- (1) The chairperson of the Committee is notified of the alleged infraction by a student or faculty member. An Honor Court consisting of three faculty members and two students is appointed by the chairperson.
- (2) All evidence, such as tests, papers, and names of witnesses should be given to the chairperson with a written statement explaining the alleged infraction. A faculty member should not confront a student and attempt to get a confession.
- (3) The "Code of Student Academic Responsibility" that is given to students is to be found in the USCS Student Handbook.
- (4) Questions regarding infractions and procedures should be referred to the Associate Chancellor for Student Affairs.

#### MASTER CALENDAR

A master calendar is maintained by the Student Affairs Office. All faculty, staff, and student organizations should contact the Student Affairs Office to place activities on the calendar as far in advance as possible.

#### PERSONNEL INFORMATION

The Personnel Office maintains the personnel files of all faculty members. Faculty members should notify the Personnel Office of any relevant academic activities, new degrees, changes in address or dependents, and other such information.

#### NEW COURSES

Faculty requests to have a new course approved for addition to the bulletin go first to the appropriate dean. The dean is responsible for completing the necessary form (see "Sample Forms") and submitting the request to the Academic Affairs Committee. If the Committee approves, the request is then submitted to the Faculty Senate for consideration. No course is to be entered on the schedule without being presented to the Faculty Senate.

INDEPENDENT STUDY COURSES

No student will be allowed to register for Independent Study unless he/she has completed the form "Application for Course Offered as Independent Study" (see "Sample Forms"). Any student desiring to take an Independent Study course should pick up this form in a dean's office, have it completed by the Instructor he/she is working under, and have all requested signatures on the form completed. The student should then bring the form for approval to the office of the Director for Admissions and Records, at which time he/she will be given a copy to bring to registration.

WITHDRAWAL OF VETERANS FROM A CLASS

All veterans and others who receive benefits from the Veterans Administration are responsible for informing the Veterans Officer of any change in enrollment status or withdrawal from USC at Spartanburg. If a veteran withdraws from a class the USCS Veterans Affairs Office asks that the faculty member notify the Veterans Affairs Office as soon as possible of the student's last date of attendance/pursuit by using any one or a combination of the following four methods:

- (1) last activity (including attendance) reflected in the instructor's records,
- (2) last papers submitted,
- (3) last examination completed,
- (4) student's reasonable statement of last date of attendance.

GRADE REPORTINGI. CLASS ROLLS

Class rolls are distributed to the Academic Departments four times during the regular semester (fall and spring) and three times during summer semesters. If you do not receive a roll, contact your dean to see if your roll has been misplaced. If the roll is lost, the dean's office should contact the Records Office for a copy of the roll.

A. Temporary Rolls

1. Temporary rolls are produced at the end of the last day of registration.
2. Temporary rolls should be used for reference only. Students who register late or drop and add your section will not be named on this roll.

### B. Official Rolls

1. Official rolls are produced after the last day to add a course or change sections.
2. Official rolls should be considered accurate.
  - a. If a student is attending your course, but his or her name does not appear on your roll, advise the student to come to the Records Office.
  - b. If a student's name appears on your roll, but he or she has not been attending your course, check with the Records Office to see if the student has officially registered for the course.

### C. Midterm Grade Rolls

1. Midterm grade rolls are produced after the last day to drop a course without penalty.
2. Errors on the midterm rolls should be corrected on grade roll correction forms.

### D. Final Grade Rolls

1. Final grade rolls are produced approximately two weeks prior to the end of the semester.
2. Corrections to rolls must be made via grade roll correction form.

## II. GRADE DESCRIPTIONS

### A. Midterm Grades (S/U)

1. Space is provided on the roll for the Instructor to indicate a grade of S (Satisfactory) or U (Unsatisfactory).
2. Midterm grades are not posted to the student's permanent record nor are they computed into GPR.

### B. Letter Grades (A, B+, B, C+, C, D+, D and F)

### C. Pass-Fail Grading (S/U)

### D. WF-W

1. WF is automatically assigned for withdrawal from a course after free drop date. The grade is treated as an F in the evaluation of GPR.

2. W is recorded on a student's permanent record for courses dropped after the last day of late registration but before the free drop date.
3. W may be assigned in exceptional cases to indicate satisfactory performance in courses from which a student withdraws after the free drop date. Forms are available in the Records Office.

E. Incomplete (I)

1. Indicates failure to complete some portion of the assigned work in a course.
2. By arrangement with the Instructor, the student will have 12 months in which to complete the work before a permanent grade will be recorded.

Note: A new policy covering Incompletes was adopted by the Faculty Senate in July 1979. Details of this procedure are currently being worked out.

F. Audit (AUD)

1. Indicates a course was carried on an audit basis.
2. The student is not responsible for any course work and the grade is not computed in totals.

G. No Record (NR)

1. Assigned by Records Office only, in the event an instructor fails to submit a student's grade.
2. Temporary grade, to be replaced by a valid letter grade. If no grade is assigned, the student automatically will receive credit at the end of the following semester.

III. FACULTY GRADE REPORTING \

All grades shall be due in the Office of the Director for Admissions and Records by that office. Grade sheets are to be hand-carried to the Records Office (not sent through the mail). The Director for Admissions and Records is responsible for delivery of the grades to the Office of Administrative Services on the Columbia campus for processing. Final grades for graduating seniors must be handed in one week before graduation and this contingency may call for an earlier examination.

## A. Final Reports of Grades

1. The faculty member is responsible for entering a written grade for each student listed on the roll, a corresponding plugged grade in the optical scan area to the right, and an instructor signature in the space provided.
2. The faculty member cannot assign the following grades unless the option is indicated on the Grade Roll:
  - a. Pass-Fail grades can be assigned only when P/F has been preprinted near descriptions.
  - b. An Audit cannot be assigned on a grade roll. If the student has opted to audit the course at registration, the audit area will be automatically plugged by the computer and the grade of AUD printed.
  - c. A WF grade should not be assigned by the professor. If a student has late-dropped or officially withdrawn, the WF grade will be plugged automatically by the computer.
  - d. A W grade cannot be assigned by anyone but the Records Office upon receipt of the approved form from the student's Dean.
3. An I should never be used as a substitute grade when the grade cannot be assigned through fault of the instructor or school. Incompletes are computed as F in a student's GPR. It is best to leave the area blank and use a Grade Roll Correction form for explanation. The final grade should be forwarded to the Records Office by an official letter from the faculty member.
4. The detachable area on the right of the Grade Roll is to be used for posting grades within the department.

## B. Grade Roll Corrections

Grade roll corrections (see "Sample Forms") are used by the instructor to help make corrections to the Final Grade Rolls and must be completed as follows:

1. Student's full name (printed)
2. Student Number (social security number)
3. Department course and section (exactly as printed on your final grade roll)
4. Credit hours assigned to the course
5. Grade, (if applicable)

6. Type of change (mark only one with "X")
- a. Attended this class but not on the roll--assign grade.
  - b. Never attended this class (possibly not enrolled in this section)
  - c. Dropped course officially before penalty date. Check this block if your records indicate that an official Change of Schedule form was signed by you or your department. If you do not have a record of the official Change of Schedule form, the student should be assigned an appropriate grade.
  - d. Miscellaneous Change:
    - i. Credit (for variable credit only), audit problem (i.e., an apparent auditor shown for credit or vice versa--indicate AUD for auditor, letter grade for non-auditor)
    - ii. Pass/Fail problem (P/F option shown in error or missing--include grade)
    - iii. Other--Explain as appropriate on lower line.

#### IV. GRADE CHANGES/ERRORS IN RECORDING GRADES

- A. In case of error in reporting of final grades, the Instructor shall complete the approved form and send it to the Director of Admissions and Records, who shall then place the issue before the Academic Affairs Committee.
- B. If a student wishes to challenge his or her grade, it must be done before the end of the following semester.
- C. Special make-up work or examinations to change grades already recorded are not permitted.

#### V. WITHDRAWAL

A student withdrawing after the last day to drop a course without penalty may petition to receive a grade of W rather than WF by submitting an "Assignment W Grade for Medical Reasons or Extenuating Circumstances" to the Records Office. This form will be sent to the faculty member to determine if the student has earned a W or a WF. This form is to be returned to the Records Office.

FEDERAL AND STATE GRANT SEEKING

The Office for Development and Sponsored Projects (Administration 202, ext. 203) has the responsibility for coordinating federal, state, and foundation grant seeking. The office will assist faculty in locating funding sources and in getting the proposals written, typed, and supported. The following procedure is suggested for persons seeking grants:

- (1) Formulate the idea in one or two written pages.
- (2) Discuss the idea and the grant guidelines with the Director for Development and Sponsored Projects (Dr. Jan Yost).
- (3) Clear all grant proposals with the Director for Development and Sponsored Projects, the Vice Chancellor for Academic Affairs, the Chancellor, and the Office of Research (Columbia campus).
- (4) Seven working days prior to the grant deadline, submit a copy of the grant proposal, a completed Sponsored Project Review and Approval Form, and a completed GCR-1 Form (which also fulfills any required A-95 Clearinghouse review) to the Office of Research (Columbia campus).
- (5) The Vice President for Finance, University of South Carolina, signs grant proposals for the University system thereby financially obligating the University.

POST-AWARD GRANT ACTIVITIES

Once a federal, state, or foundation grant is awarded, it is necessary for the Director for Development and Sponsored Projects to monitor the handling of the grant. Therefore, the following procedures should serve as guidelines to grant recipients:

- (1) The hiring or transferring of any USCS personnel (whether the position is classified or unclassified, full- or part-time) must be communicated to the Director for Development and Sponsored Projects prior to offering the position to a candidate.
- (2) The purchase of equipment or supplies with grant funds must have the purchase requisition routed to the Director for Development and Sponsored Projects who will forward, upon clearance, to the USCS Business Office.
- (3) In general, the spending of any grant funds regardless of purpose (e.g., travel, foods, hiring of consultants, contracting for service, etc...) must be reviewed by the Director for Development and Sponsored Projects prior to committing USCS.

- (4) When grants require a cost share by USCS, the principal investigator must confer with the Director for Development and Sponsored Projects (1) at least two weeks prior to the grant start-up date, and (2) approximately two weeks after the grant start-up date. If the cost share is to continue beyond the semester in which it became effective, the principal investigator must again confer with the Director for Development and Sponsored Projects (1) at least two weeks prior to each affected semester, and (2) approximately two weeks after the beginning of each affected semester.

#### ROOM USE

Campus rooms and facilities are scheduled through the Student Affairs Office (ext. 336), once the class schedule is set. The use of any campus room or facility requires prior reservation.

#### WEATHER EMERGENCY ANNOUNCEMENTS

The Chancellor will determine when hazardous weather conditions warrant releasing employees from duty. When USCS is to be closed, announcements will be made by local media. Employees who have questions may call the switchboard.

#### OFF-CAMPUS TELEPHONE CALLS

To dial a number in the Spartanburg area, dial 9 and then the number.

For all other off-campus telephone calls it is necessary to first call the USCS switchboard by dialing "operator." For calls to the Greenville area, request the "Greenville line." For all other calls, request the "Columbia line." If there is a waiting list, the requestor will be called when his/her turn comes and will then be notified that the line requested is available. The requestor then hangs up the telephone and when it rings again it should be the requested line. The following procedures then apply:

Greenville line: dial the appropriate number

Columbia line:

On the Columbia campus, dial the extension (four digits)

Regional or Branch Campus of USCS, dial the extension (four digits)

In Columbia--off campus, dial 9 and then the number

In State (not in Columbia, Greenville, or Spartanburg)--  
dial 9 - 1 - number

Out of State--dial 9 - 1 - Area Code - number

Long distance Information--dial 1 - Area Code - 555-1212

**SERVICES**

LIBRARY

The information below should answer the most frequently asked questions about the Library's policies and procedures, but if more information is needed, please call the Library. A copy of the Library Staff Manual is kept at the circulation desk for anyone who cares to look through it.

Circulation policies

Books are checked out for at least two weeks and are due the last date stamped on the date card.

Books may be renewed as many times as desired unless someone else requests them.

Books requested by someone else are called in on the date due; overdue books requested by someone else are called in immediately.

Fines are not charged for overdue books unless the borrower is late in returning them after the books have been called in for someone else's use.

All books should be returned before the end of each semester, and if they are not returned, the borrower is billed for them. The return of a book after the Library has ordered a replacement copy does not clear the borrower's record; the book must be paid for.

All books lost or badly damaged must be paid for by the borrower.

All Library records involving names of people requesting books or information and reference help are confidential and will not be made available.

A replacement fee is charged for lost library cards.

Borrowers are responsible for all books checked out on their cards; if a library card is missing or stolen, borrowers are responsible for all books checked out on the card before the date the Library is notified that the card is missing.

Reference works may be checked out by faculty members for twenty-four hours; a limit of two items at a time is enforced.

The latest issue of a periodical may be checked out by faculty members for twenty-four hours; a limit of two periodicals at a time is enforced.

Except for reference books and periodicals, circulation policies are the same for all USC at Spartanburg Library users.

### Reserve material policies

For student and faculty convenience, required reading for courses may be put on reserve in the Library by instructors. Faculty members must fill out a Reserve Request Form (see example in "Sample Forms") for each class each semester. Please allow one week for the Library to process any materials you want on reserve. Faculty members determine what type of reserve they want from the kinds the Library offers, but for the time something is on reserve, all students using the material are bound by the Library's rules.

All items remain on reserve until the end of the term when they are automatically removed unless the faculty member notifies the Library earlier in writing or by phone that an item is no longer needed.

Bound periodicals and reference works owned by the USC at Spartanburg Library will not be put on reserve.

Any work owned by another Library will not be put on reserve except for works owned by Cooper Library in Columbia which may be placed on reserve for students in the Graduate Regional Studies Program.

Faculty members may not change the type of reserve they requested except by calling or writing to Teresa Pappas, Sheila Anderson, or Valerie Burnie.

Reserve materials are determined by faculty members; therefore, any record of which students checked out which item is available to the faculty member who placed the material on reserve.

Photocopies for reserve will not be made by any staff member in the Library; each faculty member is responsible for all photocopies he or she wants to place on reserve.

No material will be accepted for reserve if violation of the Copyright Law is involved.

### Copying machines

If material owned by the Library is to be copied for non-personal use by a faculty member, the charge is absorbed by the Library.

Any material not owned by the USC at Spartanburg Library may not be copied on any machine in the Library without payment being made.

Faculty members who wish to copy Library owned material for non-personal use must call or come by the circulation desk each time copies are to be made if they send student workers to do this for them.

### Interlibrary loans

Interlibrary loans for personal use are available through the Library. All fees are to be paid by the faculty member ordering the material.

Interlibrary loans which are for faculty members' classroom use, not for personal use, can be charged to the school. In order to charge such material, the faculty member must have a "Request for Direct Expenditure" form signed by the dean, and the form must be given to a reference librarian at the time the interlibrary loan is requested. Forms are available in school offices and in the Business Office. ILL Request Forms are available in the School Library (see example in "Sample Forms").

Failure to return interlibrary loan books on time will result in the loss of interlibrary loan services through the USCS Library.

### Classes in search methodology

The librarians provide programs to teach the efficient use of the Library. Each faculty member wanting to make use of this service for classes should call the Library to make arrangements with a reference librarian.

### Cooper Library, USC, Columbia

Faculty members from Spartanburg who wish to make use of borrowing privileges at Cooper Library must have a validated ID card; the validation sticker must be for the current school semester. Validation stickers are available in the Business Office on the Spartanburg campus.

It is possible to have ID cards made in Columbia on the USC campus in Pettigru Building on Monday - Friday, 9:00 a.m. - 5:00 p.m. It will be necessary to have proof that you are a faculty member on the Spartanburg campus. A note from the Business Office in Spartanburg is sufficient if you are not listed in the USC Directory.

If you are going to be at Cooper Library but have not had a chance to have an ID made, a note from the Business Office on the Spartanburg campus stating that you are a faculty member will be sufficient for you to check out books until you have an ID. However, in this case, Tom Marcil, Circulation Librarian at Cooper, requests that you call him so he can alert his staff. Tom's number is 4866 on the Columbia line.

### Audiovisual Distribution Center

Filmstrips, records, slides, audiocassettes, video cassettes, kits, models, and games are available in the Library Audiovisual Distribution Center. These items do not circulate, but faculty members may check them out for classroom use and they may be put on reserve for courses. The AVDC has its own card catalog, and all materials are also listed in the main catalog in the library. Cards for these materials are identified by a red stripe on the left of the card and "AV Center" above the call number.

CHILD DEVELOPMENT CENTER

Day care services are available at the Burroughs Child Development Center, located on the campus. The hours of the regular program are from 7:30 a.m. to 5:30 p.m. Children who are three, four, or five years of age have the opportunity to be involved in a total learning experience.

The center's purpose is to help each child develop cognitively, emotionally, socially, and physically. Weekly field trips and resource people help give the children a better understanding of the world around them. A staff of certified teachers, senior citizens, volunteers, and students strive to meet individual needs of the children.

Breakfast and lunch are served to the child as well as two supplemented snacks which meet USDA requirements. Transportation is available. The cost is \$22.00 per week. Visitors are welcome.

In addition, an after-school drop-in day care service is available during the academic year from 3 p.m. to 8:30 p.m. Cost is 75¢ per hour for the first child in a family, \$100 for two children in the same family, and \$1.25 for three children in the same family.

TEST SCORER

A mechanical test scorer for correcting the multiple choice type of test is available in the Library Building, 2nd floor. Its operation can be explained by Susan Gilmore. The printed answer sheets that must be used with the scorer include space for answers to 100 questions, each with five choices. The answer sheets are available from school secretaries.

TRAVELING ROAD SHOWS

The Counseling and Career Development Center offers "Traveling Road Shows" for presentation in class, either as a change of pace or if a faculty member has to miss a class. The list that follows is of presentations already prepared, which can be given on short notice. If a new presentation is desired, a minimum of two weeks notice is needed.

#### TUTORING LAB

The Tutoring Lab is open to all students at the University at no fee. The lab is staffed by faculty and student assistants who have been oriented to Lab procedures and policies. These staff members have had intensive in-service training to develop competent study skill techniques, to aid students who visit the Tutoring Lab, and to develop communicative skills in order to recognize primary student needs.

The Tutoring Lab represents a genuine concern of faculty representatives from all disciplines at the University to meet the needs of all students at the University.

The following areas are represented in the Tutoring Lab.

1. English
2. Mathematics
3. Physical Science, Business, Computer Science, Psychology, History and Sociology.
4. Study skills for ALL disciplines

The Tutoring Lab will operate from 8:30 a.m. to 6:30 p.m. Monday through Thursday or by appointment. Faculty may refer students to the Tutoring Lab as either a voluntary or mandatory undertaking. Attendance is mandatory if the faculty member makes attendance or specific improvements a requirement for satisfactory completion of the course.

The following forms (see "Sample Forms") will be used by the Tutoring Lab and faculty members in order to facilitate achievement of Lab goals:

- (1) Instructor's Lab Referral Sheet. This form should be used to refer a student to the Lab. The more complete and specific the information provided by the faculty member, the better prepared the Lab staff will be to aid the student.
- (2) Lab Acknowledgement of Student Referral. This form is simply a means of letting the faculty member know that the student referred to the Lab has reported to the Lab and requested assistance.
- (3) Instructor's Feedback Sheet. This form provides the Lab with feedback from the professors concerning Lab procedures and an evaluation of the student's development.

For additional information, contact Hermenia Gardner, ext. 341 or 343.

#### READABILITY EVALUATION OF TEXTBOOKS

Faculty members may request a readability evaluation of their textbooks or of new adoptions under consideration. The evaluation determines the reading level appropriate for the text, given as a class level (e.g., tenth grade reading level, thirteenth grade/or freshman reading level). Requests should be made to Dr. Jane Davisson, L225, ext. 343.

#### STUDY SKILLS PROGRAMS

One and two-day classroom programs may be requested by faculty members for their individual classes on:

- "How to Study"
- "Friend or Enemy-Tests"
- "There are Only 24 Hours in a Day"
- "How to Memorize"
- "Underlining or Outlining?"

Requests should be made to Dr. Jane Davisson, Director of Developmental Services, Ext. 343.

### CAMPUS NURSE

The office of the campus nurse, Kathy Norman, is located in A301 (ext. 243). She provides nursing services for minor illnesses and first aid in care of injuries. She also teaches lab, so she will not be in her office at all times. If there is no answer at her extension, call 573-8173 and give your message at the sound of the beeper.

### EMERGENCY PROCEDURE:

- (1) Should an emergency arise, notify the Public Safety Office, ext. 269. In case of accident or injury on campus, faculty members are normally asked to notify the campus nurse (Kathy Norman, ext. 243). If there is no answer, dial 9-573-8173 and state your extension or location. The nurse will get to a phone and call you back.
- (2) If the problem is in the nature of an emergency (heart attack or any situation obviously requiring an ambulance, etc.), call the switchboard operator before contacting anyone else so that emergency assistance can be on the scene more quickly. Then the campus nurse or security guards (evenings and weekends) can be contacted.

### NATURAL AREA

A natural area, including nature trail, outdoor classroom and picnic area, was developed by the Student Government Association in 1975. It is located in the area of the Child Development Center. Reservations for the outdoor classroom are handled by the Student Affairs Office, Ext. 336. Anyone wishing to modify the area in any way should seek the approval of the Facilities Planning and Utilization Committee, which will establish guidelines for use in the area.

### SCHOOL SECRETARIES

Each school has a secretary to aid the faculty members of the division in completing their job-related tasks. Deans establish their secretary's responsibilities and the procedures to be followed by school members. All travel vouchers, purchase orders, and requests for supplies are to be handled through school secretaries.

### COUNSELING, CAREER DEVELOPMENT AND PLACEMENT SERVICES

Personal problem solving, career planning and placement services are provided by the Counselors in the Counseling and Career Development Center and the Hodge Center. The Career Development Center houses a career information library and a placement office.

The center offers programs in (1) Personal Counseling, (2) Career Planning and Development, and (3) Placement. Included in Career Planning and Development are such services as individual and group counseling, self-awareness programs and career exploration. Tests are administered as needed to determine students' interests and abilities. Presentations are made to students through the academic departments about career opportunities.

The Placement Office is responsible for the placement activities for all USCS students (including Nursing Students) and Alumni. Its primary function is to assist in finding and securing part-time and full-time employment. Job opportunities are posted on campus bulletin boards in the Media Center, Library Building and the Hodge Center. Deans of Schools are notified of interviewing opportunities available to students in their fields. Seniors are encouraged to register and set up credentials files prior to graduation.

A large career information library, including employer information, is provided for faculty and students. Several lists of employers' names and addresses are available for students desiring to make individual contact with employers, and credentials files are sent upon their requests.

Workshops are conducted throughout the year to provide assistance in filling out applications, writing resumes, job search techniques, and interviewing. The program is affiliated with the College Placement Council on the state, national and regional level. The center also has information on summer jobs for faculty.

The placement office is located in the Counseling and Career Developmental Center, 2nd floor, Media Building. Telephone 412 for more information.

#### STUDENT WITHDRAWALS

Students begin the withdrawal process at the Counseling and Career Development Center, where they are given the necessary forms. They will be directed to one of the Center's counselors so that reasons for the withdrawal may be determined and appropriate help offered. The withdrawal process will be explained to the student, and any questions as to the student's rights and responsibilities will be answered. A form notifying advisors of their advisees who intend to withdraw from USCS will be filled out at the Center and sent to the appropriate advisor. It is hoped that this monitoring process will result in clear information for those who wish to withdraw, an offer of assistance to those who may be desirous of remaining in school, and information concerning why students leave school so that retention efforts may be strengthened.

COOPERATIVE EDUCATION

Cooperative Education is a USCS program which integrates classroom study with planned, alternating, career-related work experiences in industry, business, and government agencies. Co-op can:

- \* Give students experience in the world of work
- \* Assist students in finances in their education
- \* Give students the edge in finding full-time professional employment after graduation

The Cooperative Education Office is located in the Counseling and Career Development Center, 2nd floor, Media Building. Telephone 417 for further information.

Unless otherwise stated, the films come for 1-3 days use and must be returned on time.

COMPUTER SERVICES

Computer service for academic and research is provided to Faculty members and students by the Computer Services Division. Consultants are provided to assist with programming and statistical and mathematical analysis, and offers short courses to acquaint users with procedures and programming languages.

The Division's capabilities are built around a Data 100 terminal which is linked to a central Amdahl AV6 in Columbia. Time-sharing terminals are also available. Support hardware, located on the Columbia campus, includes an Optical Mark Page Reader, a Calcomp Plotter and a Microfilm Output Unit.

Normal operations hours are:

Fall and Spring Semesters

8:00 a.m. - 5:00 p.m.	Friday
2:00 p.m. - 6:00 p.m.	Sunday

Summer Semesters

Requests for additional services, such as tours or expended operation hours, must be directed to the Manager of Computer Services.

WORD PROCESSING CENTER

The Word Processing Center was established to provide administrative and clerical support services to faculty, staff and administrative personnel. Services include routine typing and duplication of tests, handouts, memoranda, correspondence, proposals and miscellaneous documents. The center also has magnetic card storage capabilities and a Lanier remote dictating system for special projects.

Operating as part of the Word Processing Center is a limited print shop featuring an IBM Selectric Composer, and A-M Automated Offset Printing System, a headliner, and a GBC Binder.

Priority service by the Word Processing Center is to the School of Humanities and Sciences. Typing and duplicating services for official correspondence and classroom materials are provided free of any charge to the School.

Other work for faculty in the School of Humanities and Sciences or any other departments and schools will be performed on a charge-back basis using funds in the school or departmental budget. Each job should be accompanied by a work order signed by the appropriate Dean or his or her designated representative.

Because of restrictions in the use of state funds and the auditing difficulties involved in accepting cash payments for Word Processing services, the center does not ordinarily accept non-university work from faculty, students, or the general public. The Director for Information Services will be happy to recommend commercial printers in Spartanburg for these services.

#### PARKING

It is the University of South Carolina at Spartanburg's practice to register vehicles of faculty members with the Public Safety Office. Vehicles are required to have a current parking decal fixed to the left rear bumper. Decals are not transferable and registrants agree to remove them on disposing of vehicles or on severance of University connection.

Traffic and parking regulations are published annually. Copies may be obtained from the Public Safety Office. Faculty and staff are expected to observe these regulations.

#### CAMPUS SECURITY AND EMERGENCIES

The Campus Security is located on the first floor of the Administration Building. This department handles all security matters, including traffic control. In case of an emergency dial, ext. 269. If there is no answer, call the USCS switchboard. Reports of thefts, vandalism, traffic accidents and other matters occurring on the campus and normally handled by the police should be promptly reported to the Campus Security. Nights and weekends call 578-7827.

Other emergency numbers include: County Police 582-6791; Fire Department 576-3211; Emergency Medical 585-9156. On internal University phones dial 9 to obtain an outside line.

#### MAIL SERVICE

Mail is collected from and delivered daily to all departments by the Campus Mail Service. Internal correspondence between departments, schools, and divisions of the University is also handled by this agency.

### INFORMATION SERVICES

The Office of Information Services at USCS provides several important communication links within the campus community as well as the general public.

- (a) Media Relations - It is the policy of USCS to aggressively seek newspaper space and radio-TV time by being open and cooperative with the news media in all instances and by providing professional quality news releases and public service announcements through a central agency. Faculty are urged to assist in this program by responding freely and openly to any media questions regarding their area of expertise. Faculty or staff should generally avoid approaching the media or making statements to media about USCS Policies and Procedures without the assistance of the Associate Chancellor for University Relations or the Director for Information Services.
- (b) Publications - Information Services is responsible for the publication of the quarterly alumni tabloid "On Target," and a weekly publication for faculty and staff consisting of official announcements, unofficial campus notes and a calendar of events. Items for this latter publication may be submitted either to the Faculty Secretary-Elect or to the Office of Information Services.

As part of the effort to maintain a coordinated and economy-conscious printing program, all publications intended for outside distribution are reviewed by the Director for Information Services for practicality and accuracy. All printing which will be done by outside vendors must be undertaken through the Office of Information Services.

- (c) Speaker's Bureau - Faculty are urged to participate in this public service activity which provides free speakers to civic clubs, high school groups, and other organizations. An attractive brochure is published each year outlining topics, and the university will pay mileage for speaking engagements which require round trips of 30 miles or more. Participation in the Speaker's Bureau is considered evidence of university service in the promotion and tenure process.

### RECREATIONAL FACILITIES

G. B. Hodge Physical Education Center. The University's Physical Education Center, outdoor fields, and outdoor courts are available for use by members of the faculty and their families.

Equipment available on a no-charge basis includes: badminton racquets, basketballs, footballs, golf clubs, jump ropes, medicine balls, volleyballs, ping pong equipment, soccer balls, softball equipment, and weights.

Locker Room and Clothing Fees. All faculty, staff, and dependents who wish to use the locker room and use a lock and locker may do so free of charge by checking with the Athletic Office.

Tennis Courts. The tennis complex, adjacent to the Child Development Center, should provide many enjoyable hours for both students and faculty. Physical Education classes and the tennis team have priority for use of the courts. Please check the rules, which are posted.

#### THE CAMPUS BOOKSTORE

The campus bookstore, located in the Hodge Center, offers to both students and faculty the necessary curriculum textbooks and other course related materials. In addition to a large selection of general trade books, it also makes available supplemental, campus oriented merchandise. At the appropriate times academic regalia and class rings are offered through the bookstore.

#### DUPLICATING FACILITIES

Each building is equipped with a spirit duplicator, a mimeograph copier and a xerox or IBM copier for the convenience of the faculty and staff.

ADMINISTRATIVE AND EDUCATIONAL SERVICES

Office of the Registrar

TO: All Instructors  
FROM: T. Luther Gunter, Registrar  
SUBJECT: Grade Roll Corrections

The reverse side of this page is the form on which you can notify the Registrar's Office of apparent errors in the enrollment records of one of your classes. Note that one form is used for each section. If it is necessary to use this form, please fill it out completely (instructions below) and paper clip it to the original grade roll for that section. Please do not use staples. Note that this form can be used only in conjunction with an existing grade roll. On completion of all of your final grade sheets and corrections, please submit them to your department head, who will be responsible for turning in all final grade sheets from the department to Records Office by the pre-determined deadline.

Since this form will become a part of our permanent grade records, all entries must be completed as follows:

1. Student's full name (printed)
2. Student number (social security number)
3. Department, course, and section (exactly as printed on your final grade roll)
4. Credit hours assigned to the course
5. Grade (if applicable)
6. Type of change (mark only one with "X")
  - A. Attended this class but not on the roll - assign grade
  - B. Never attended this class - (possibly not enrolled in this section)
  - C. Dropped course officially before penalty date. Check this block only if your records indicate that an official Change of Schedule form was signed by you or your department. If you do not have a record of the official Change of Schedule form, the student should be assigned an appropriate grade.
  - D. Miscellaneous Change -
    - i. Credit (for variable credit only), audit problem (i.e., an apparent Auditor shown for credit or vice versa - indicate AUD for Auditor, letter grade for Non-auditor)
    - ii. Pass/Fail problem (P/F option shown in error or missing - include grade)
    - iii. Other - Explain as appropriate on lower line.

IMPORTANT: Your corrections help us straighten out enrollment problems remaining at grade time. However, before any change if processed the student's official registration material will be checked.

If our search uncovers an error in recording a student's registration, we will correct that error and take the action you request on this form. If no error is found, however, no change will be made. In that case, it is the responsibility of the student, having been notified by the Final Grade Report, to come and initiate whatever corrective action is appropriate.

### ASSIGNMENT OF "W" GRADE FOR MEDICAL REASON OR EXTENUATING CIRCUMSTANCES AFTER PENALTY DATE

A student withdrawing from the University or an individual course before the last date to withdraw without academic penalty will have no entry on his transcript for the course(s). A student withdrawing from the University or dropping a course *after* the free drop date will normally receive a grade of "WF." However, a grade of "W" may be assigned for a drop after the free drop date in exceptional cases requiring the concurrence of the appropriate academic dean and the instructor(s). This special assignment of the "W" grade is used primarily in cases of full withdrawal from the University during the term, or withdrawal from an individual course, for medical reasons. If approved by the academic dean and the instructor, a grade of "W" can be assigned for any course. The grade of "W" will not appear on the student's transcript until this request is approved and submitted to the Records Office. NOTE: in cases where the form is not returned to the Office of Student Records in 30 days from the date of withdrawal, the Registrar will make the decision.

In accordance with the withdrawal policy as set forth by the Faculty Senate, I request the following grade be assigned to:
